The BRUIN of Bolton High School

Alexandria, Louisiana

In the early eighteenth century the site for the present city of Alexandria was called, because of the rapids in Red River there, LES RAPIDES by the French and EL RAPIDE by the Spanish Franciscans from Los Adais. Rapides is now the name of the parish.

About 1723, a few soldiers were stationed there—POST DUE RAPIDES. A stockade was built and a trading settlement gradually developed. In 1763 the Appalachian Indians, unwilling to live under the British, to whom their land near Mobile was ceded, moved to this area and a chapel known as ST. LOUIS DES APPALAGES was established for them by the Capuchins. A few French soldiers from Canada had gotten land grants in this section. Spanish officials and traders also established themselves at the post after Spain took over Louisiana from France.

In 1785 the land was purchased from the Choctaw, Tensas, Appalachian, and Pascagoula Indians. At that time, there were only four hundred fifty people around LES RAPIDES.

Two men from Pennsylvania came to the post about 1805 and established the firm of Indian traders known as Miller and Fulton. Alexander Fulton, for whose infant daughter, Alexandria, the town was named, is said to have been a brother of the inventor of the steamboat. He laid out the town of Alexandria, and surveyed and plotted it in 1806.

During the Civil War, Alexandria was invaded by General Banks and occupied by Federal soldiers. But the rapids presented a serious obstacle to the continuance of Federal invasion. Finally the idea of damming Red River was conceived. Cotton gins, sugar houses, and other structures were demolished to provide materials; rails, crossties, bridge timbers, and rolling stock of the Red River Railroad were dismantled and dumped into the river. After a few weeks, the Federal gunboats and troops pressed onward to Natchitoches and Mansfield, only to suffer defeat at the Battle of Mansfield. Retreating, the Federals fired Alexandria on May 13, 1864; the conflagration swept almost the entire business district and the better residential sections. Most of the old records of the city were also destroyed.

When Rapides Parish was created in 1807, Alexandria was named the parish seat. The town was incorporated in 1819 and received a charter from the state legislature in 1832. After the Louisiana Purchase, the people from the Atlantic seaboard streamed into the territory; and since then, the population has grown to more than forty-eight thousand.

An aerial photograph of a town and a river. The town is on the left, with various buildings and streets. A river flows from the top right towards the bottom left. A bridge crosses the river in the middle. In the foreground, there is a large bridge structure with a water tower on the right side.

Alexandria, the heart of Louisiana, is the geographic center of the state; and all transportation leads to it as spokes of a wheel to the hub. It is served by five railroads which make the area favorably suited for industry and commerce. Seven major truck lines maintain terminals and provide service for our city to all the nation. The largest of the bus lines operated here is the Continental Trailways Bus System which has its headquarters in Alexandria. Two airlines serve this area, and there are three airfields: The England Air Force Base, Esler Field, which is owned by Rapides Parish, and Buhlow Lake Alexandria Municipal Airport.

Besides the natural recreational facilities, Alexandria has also been provided with parks and playgrounds, owned and operated at public expense. The largest of these parks, Bringhurst, spreads over 100 acres and is equipped with such facilities as tennis courts, baseball and softball fields, a golf course, picnic areas, and a swimming pool. OUR TOWN ENJOYS LOVELY HOMES AND SHADED STREETS

2

Alexandria is a town of beautiful and well-kept homes ranging in style of architecture from colonial to very modern, and occasionally there is evidence of French and Spanish influence. There is an atmosphere of informality about our homes, and in the spring many yards are a riot of color with azaleas, camellias, bridal wreath, and blue phlox in profusion. Our streets, shaded by large oak, magnolia, pecan, mimosa, and pine trees, add to the attractiveness of our many residential sections.

Of these the largest memberships are the Roman Catholic and Baptist groups, closely followed by the Methodists, Episcopalians, and the Presbyterians. Shipwrecked on an island, the motley crew is frightened by what they think is a tiger cat—but it is really Lord Loam. Students of **Mrs. Parker's** English class enjoyed acting out this scene taken from "The Admirable Crichton" by Barrie.

MASTERPIECES OF LITERATURE ARE ANALYZED

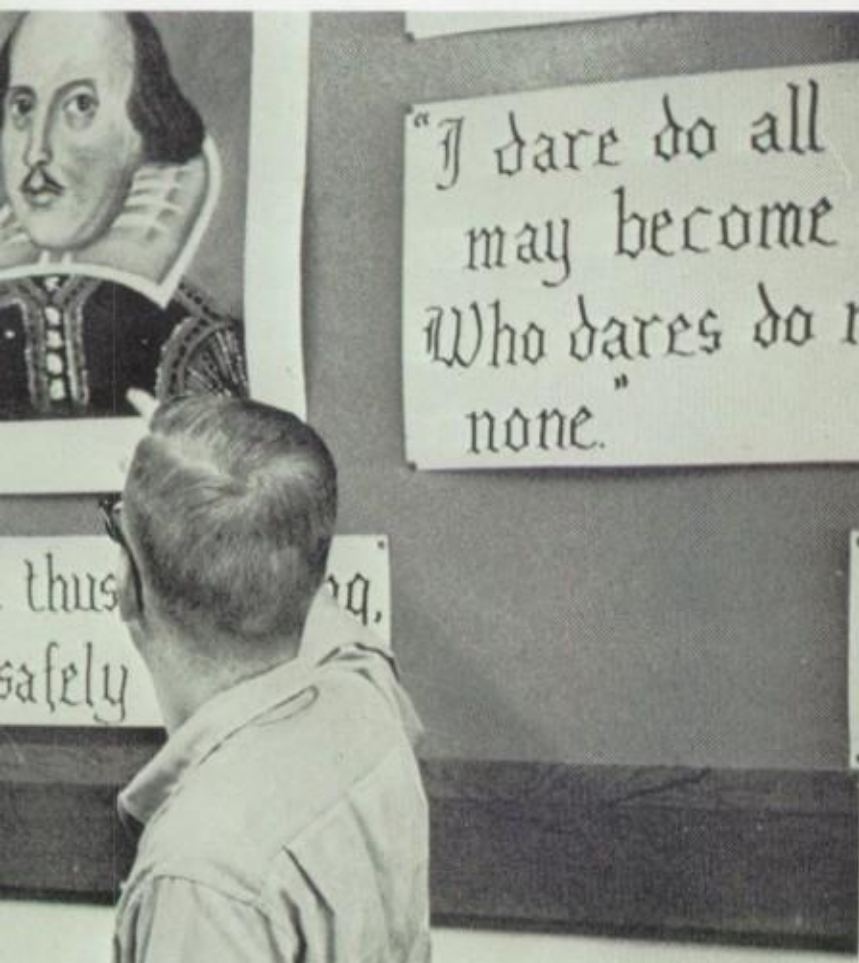

Some find English grammar hard, while others find it challenging. Here students **Ray Bloch**, **Judie DeProspo**, and **Dianne Anderson** show plainly the pains and pleasures of sentence structure.

Bolton's fully equipped library is always adding to its collection many fine educational assets which are at the disposal of every Boltonite. **Betty Busby** and **Kitty Mayeaux** use the new **World Atlas** to find detailed information about an island in the South Caribbean.

Old maxims, although written hundreds of years ago, still stand as rules to follow in our days. **Karlyn Painter** and **Andy Gambordella** will study the writings of Shakespeare in literature; they, therefore, find this blackboard quite interesting.

Pasting up the page in last minute preparation before the Cumtux goes to press, **Ed Cullen**, **Neill Foote**, **Glen Wells**, and **Joan Perkins** check to see that the layout of the section will be pleasing to the eye and easy to read. Students who wish to enter into the field of journalism put to use the knowledge that they have acquired in English classes.

"Not only do we learn the science of Latin grammar and vocabulary in our studies, but we relive the Roman customs and culture through replicas of Latin objects and outside research," says **Betty Holt** as she shows **Connie Henderson** and the class a scale model of an ancient toy. In her talk on Roman Pastimes, Betty uses the bulletin board to show that Latin is not a dead language.

ENGLISH — FOREIGN TONGUE KINSHIP DISCOVERED

Enjoying their studies, Spanish students **Margaret Cross**, **Bobby Schmolke**, and **Cherry Gipsoe** find that listening to Spanish songs and lessons on records and reading pamphlets about Spanish-speaking countries further identify them with the melodious and romantic vernacular.

Carolyn Valentine and Jack Garr show the class a picture and scale model of the "L'arc de triumphe" in France. Seeing historical places in the land which they are studying helps students to feel more a part of the French language.

"Parle vous Francais?" asks the voice in the earphone, and students answer, using the correct native pronunciation and accent. Language students **Ellen Dauzat**, **Susan Stewart**, and **Louise Valentine** realize that the language laboratory is an invaluable aid in speaking and understanding any foreign tongue.

The kinship of English and foreign languages proves an essential aid in the understanding of sentence structure and vocabulary. **Phoebe Jo Herrick** points out the similarity of this Latin declension to the English declension while pupils eagerly ask questions.

STUDENTS LEARN TO BECOME GOOD CITIZENS

Panel forums in civics not only give a chance to openly discuss topics, but also gives the teacher an equal opportunity to hear and understand the teenagers' point of view on national and international problems. Here **Jack Trax** answers questions on the legislative branch of government while **Mary O'Leary** and **Donald Brown** review other topics of interest.

Anita DeHaven finds there are many facts one doesn't know about **Old Glory**. **Anita** uses the library's excellent reference books to find information for an American History report which will help improve not only her grade but also her knowledge of our flag.

In order to keep abreast of the current trends, **Kathy Spurlock** and **Johnny Breland** scan the daily paper for events which they will report on orally to their class. Current events are studied in all Social Science courses.

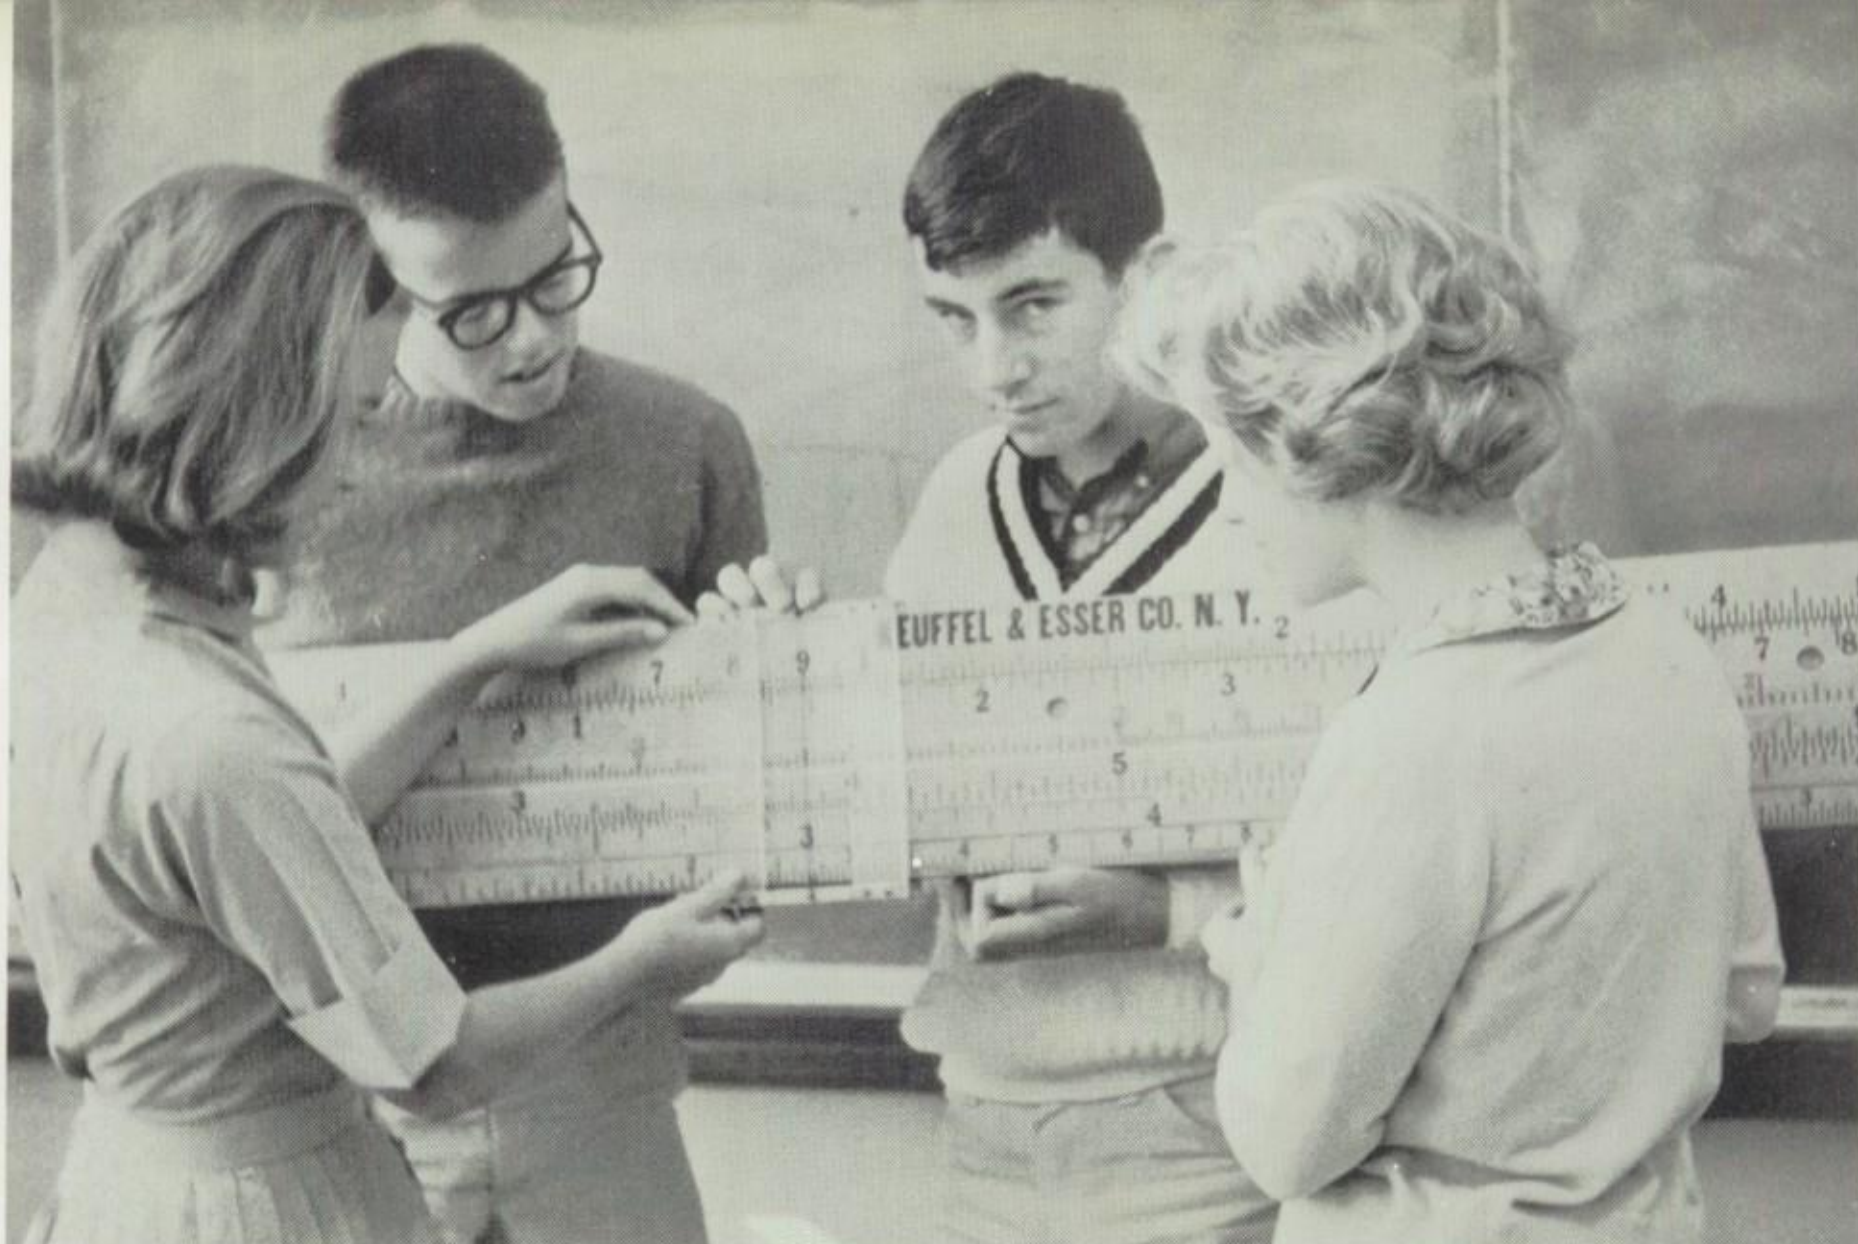

Mr. McKay's Government and Economics bulletin boards are noted for their cleverness as well as for the lesson they teach. Andree Hunter, Charlotte Smith, and Vickie Carnahan realize that working on projects, such as the stock exchange board, makes learning fun.

The peoples of the world—their past, culture, and current affairs—are taught in World History classes. The globe of the world which Judy McClendon, Butch Brown, and Charlie DeWitt use here to find the location of South Viet Nam, proves to be a valuable asset to pupils in this course.

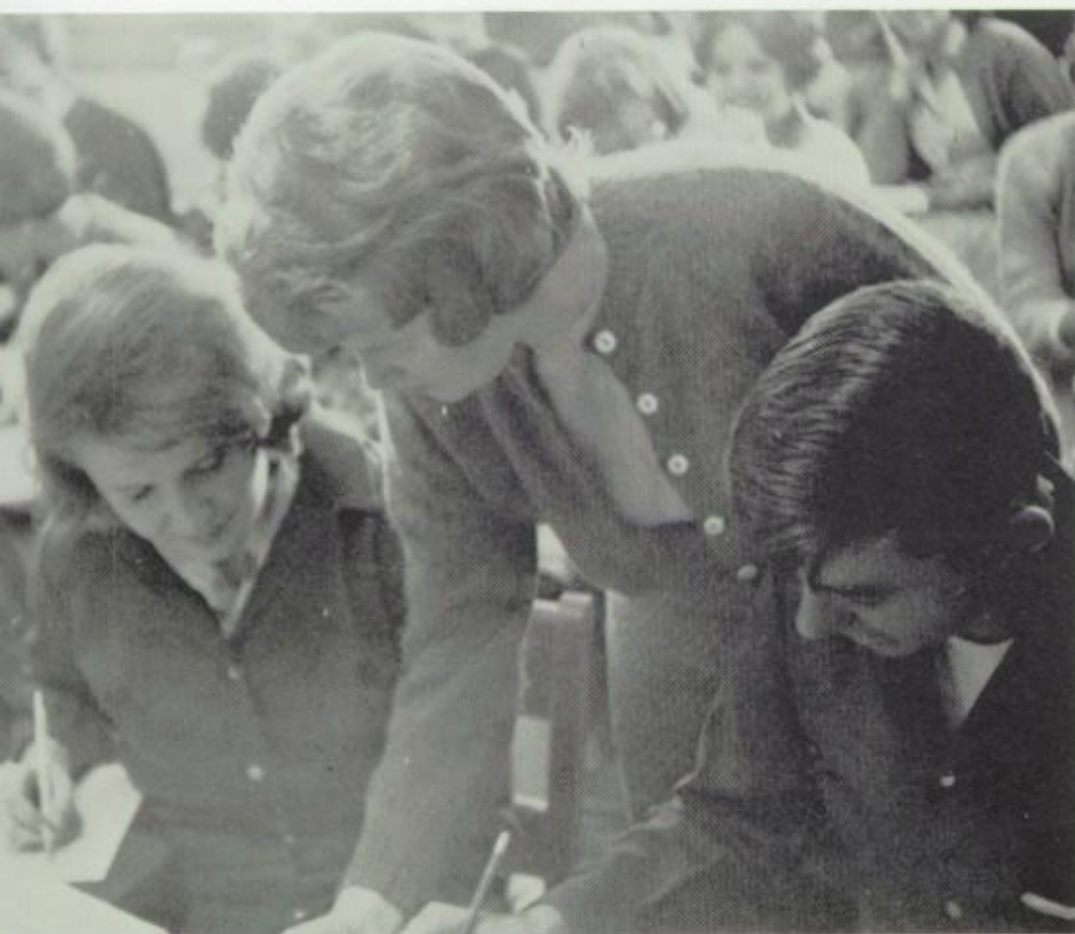

Although Algebra II is not a required subject, many Boltonites take it because they know it is good preparation for college. Here **Betsy Yeager** demonstrates to **Kerry Everitt**, **Arthur Seale**, and **Karl Stein** the mechanics of the slide rule, a valuable instrument in any math class.

The fact that math does cause pain is shown plainly in the faces of these two math students. **Shirley Hernandez** and **Shirley Hatfield** study frantically for the important test.

MATH IS CHALLENGE TO SOME, PAIN TO OTHERS

Senior Math enables students to prepare for everyday math problems that they will meet in the future.

Mrs. Taylor shows Lou Ann Fortenberry and Buddy Berthelot the solution to an unusual reading problem.

Wooden models are helpful to Roger Downs, Eddie Strickland, and Steve Brewer, who with the help of Mr. Shaw learn the rules of parallel construction.

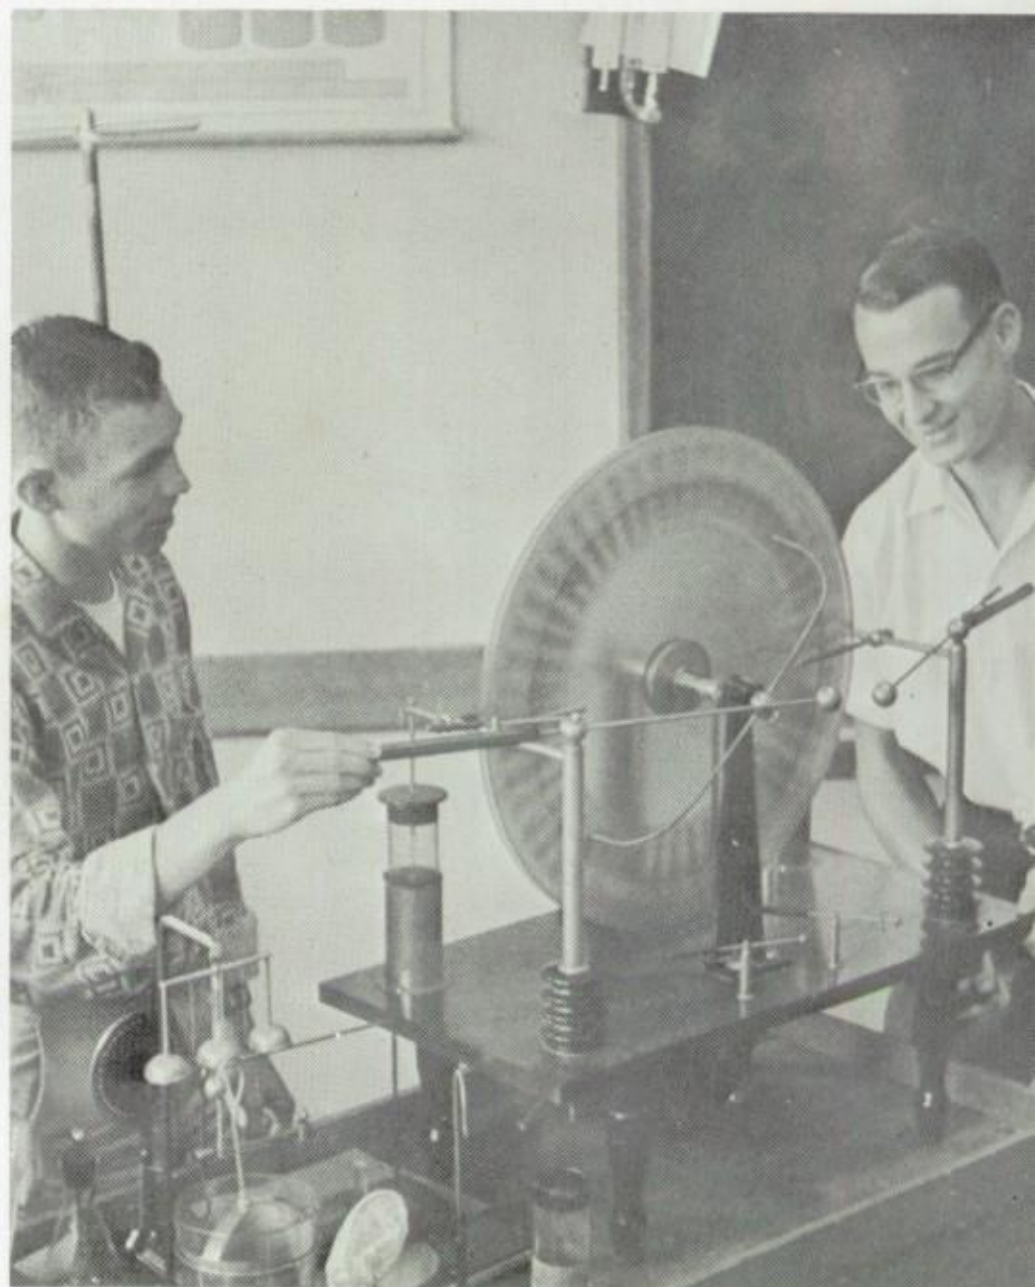

While rechecking David Butler's mid-term exam in trigonometry Mr. Hebert explains a problem that had puzzled David. These tests are given to determine whether or not the class is learning what is being taught.

Experiments in the lab teach students the importance of proving everything studied in the classroom. **Sharon Noland** and **Barbara Sanderfur** put a little light on the subject as they prove that oxygen does promote combustion.

The complicated electricity wheel in the picture is used by physics students to produce static electricity. **Walter Pilcher** turns the handle diligently while **Billy Messer** watches closely for the sparks to jump between the two steel balls.

General Science students find simple experiments a great aid in understanding the many laws of science. Here students take notes while **Mikelan Albright** and **Carolyn Herbert** measure the voltage of electricity needed to light the bulb.

NATURAL WONDERS EXPLORED IN SCIENCE

Biology students study animal life from the simplest form of protozoa to the most complex form, the mammal. While the class takes notes on the complex gill structure of the fish, **Glen Green** and **Marilyn Thompson** try diligently to catch one of the subjects for further study.

Growing beans is one of the first things Biology students do in their study of plant life. Students **Molly Perdue**, **Jenny Stark**, and **Ronnie Chellett** raise corn plants, then compare each stage of growth with the scale model chart on Spermatophytes.

STUDY OF ART AND MUSIC PROMOTES CULTURE

Bolton's advanced art classes not only provide students with a means to express their ideas but also a training which they may later use. The work they do is often entered in local art shows. Our artist, **Randy Brodnax**, contemplates his subject while searching for inspiration.

By watching **Mr. Ledoux's** expert directing hands, the Madrigals know the exact tone he wishes them to sing. These Boltonites sing in assembly many times.

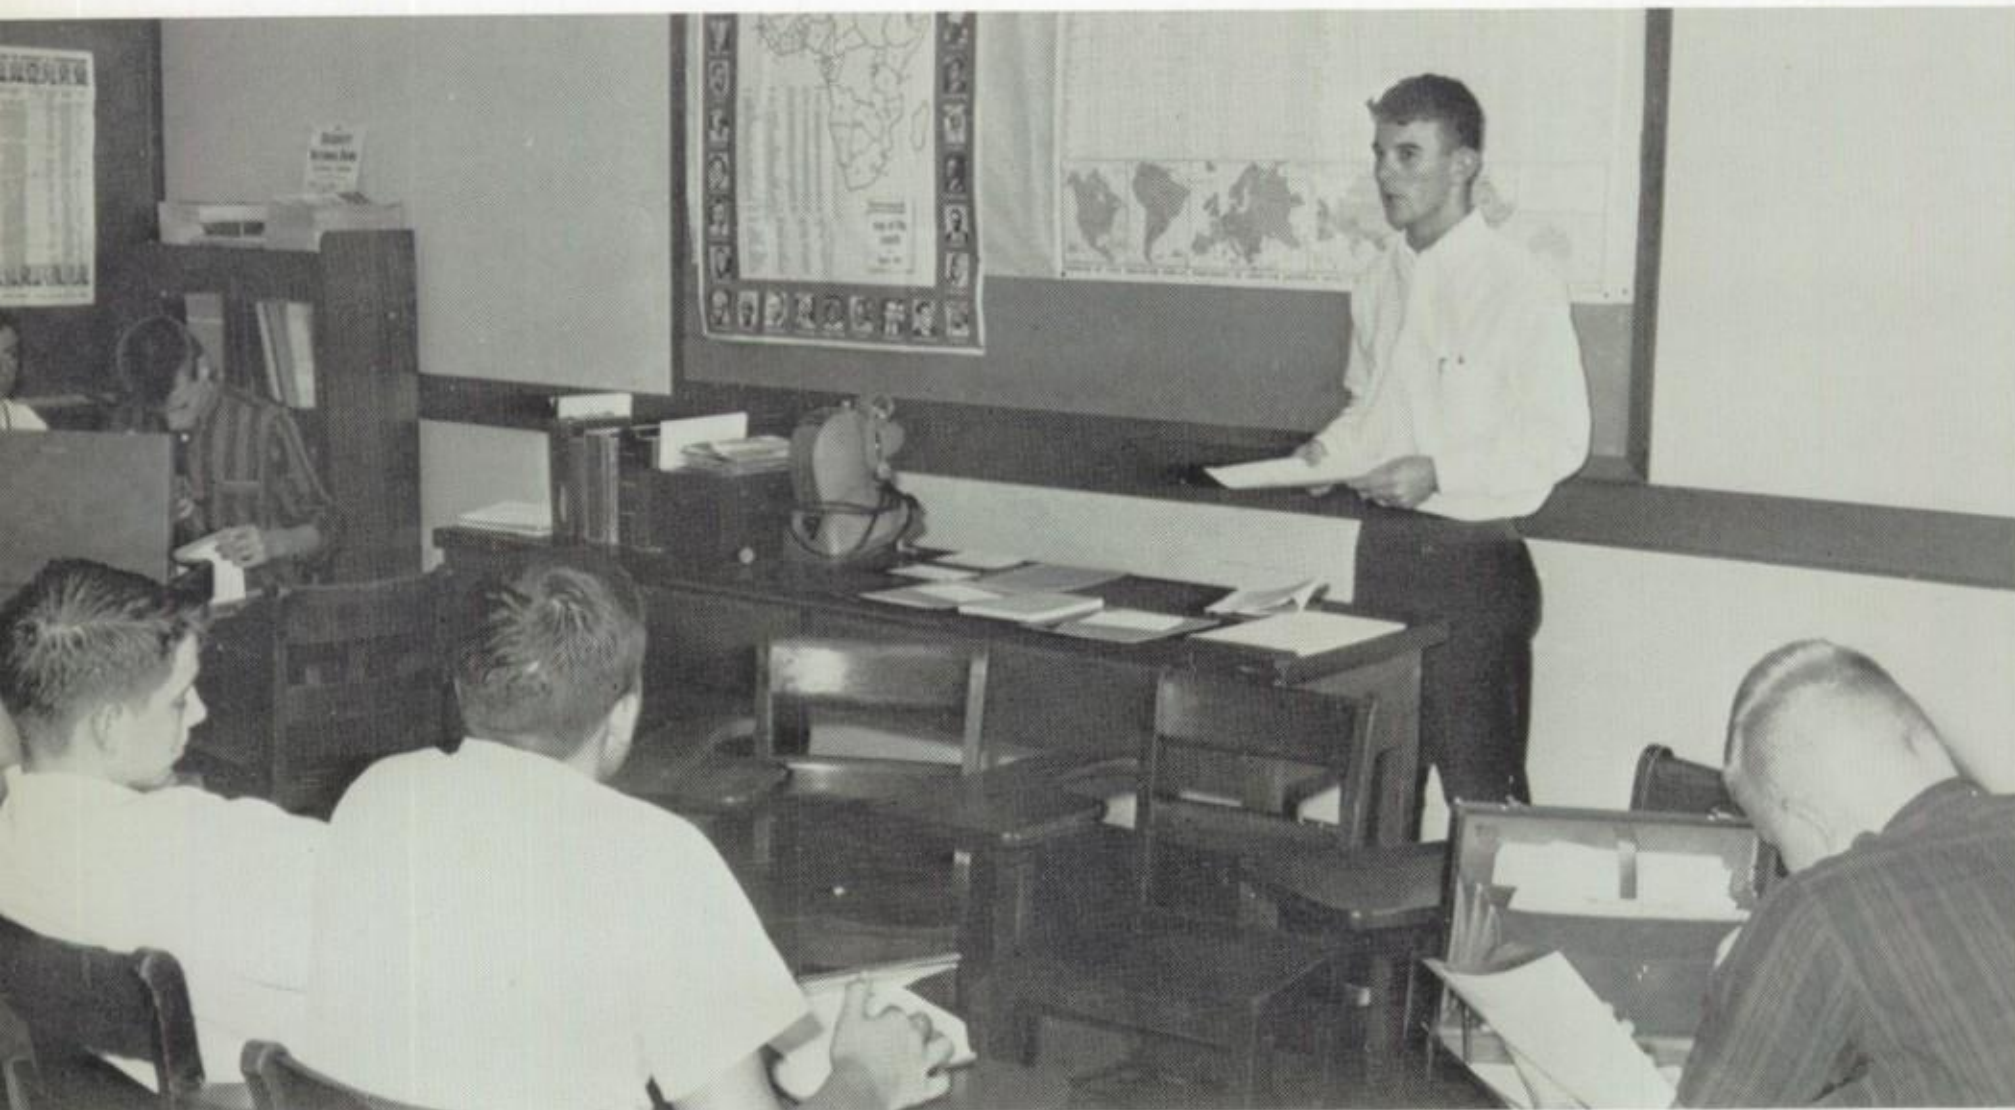

Mr. Clark, director of the Bolton Band, knows that "practice makes perfect."
Daily drill combines the individual talent of each band member to produce top-quality performance.

Art students participate in many activities to learn the principles of art, among which is the study of color. **Buddy Buchanan, Ronny Brummette, and Jerry Mathewes** mix the primary and secondary colors for their color wheels.

Art students use various shapes and shades of construction paper to make abstract "paper sculpture." Working with the different textures and colors will help prepare these students for more advanced work.

Phil Jacobs refutes his opponents' contentions while his colleague prepares additional information. While promoting alertness and quick thinking, opportunity debate improves public speaking.

Satisfaction shows plainly in the faces of debaters **Pam Briney**, **Pat Briney**, **Jimmy Cobb**, and **Gale Daniels**, as they find needed material for the coming debate.

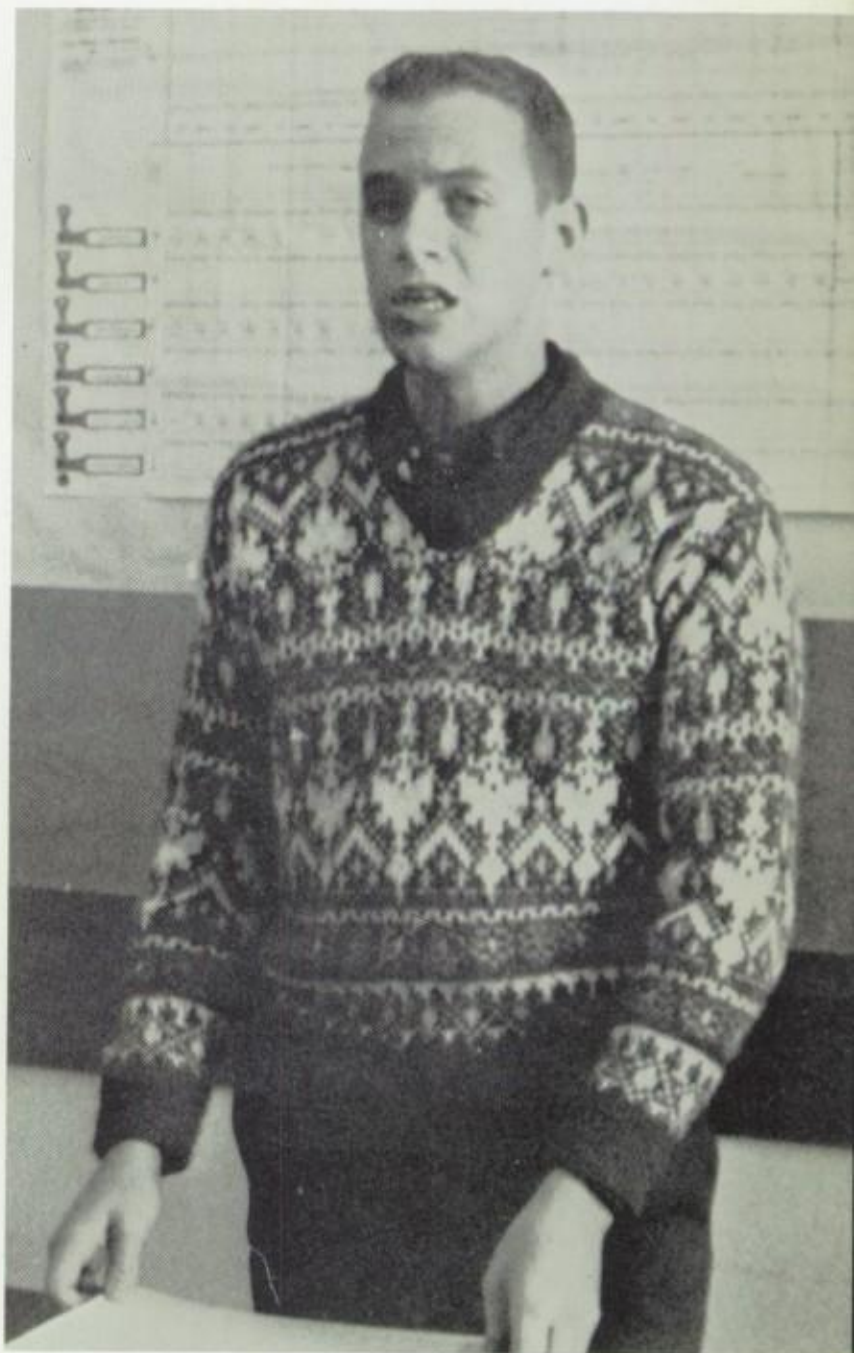

SPEECH AND DEBATE INCREASES ALERTNESS

In last minute preparation before the play **Susie Stevens** applies the heavy make-up she will need on stage.

Speech students often give orations for which they are graded. The time and effort required to perfect these speeches is evident in **Ronnie McCrory's** effective delivery.

Pat Briney gives **Catherine Wall** her cue lines in last minute preparation before the fall production of "Our Miss Brooks."

Plays of this type command top performance from all involved; the finished product is enjoyed by all who attend.

GIRLS ACQUIRE USEFUL SKILLS IN HOME EC.

In tailoring, the most advanced sewing course offered at Bolton, girls learn to make and line clothes. **Nancy Gates** puts the finishing touches on her suit before an F.H.A. style show.

Entertaining little **Trichia Gaar**, **Pattie Gayle Garr** and **Beth Fowler** learn a valuable lesson in child care and development, a course studied by home economics majors. These girls not only learn to take care of children but also how to deal with problems that will be present in the home.

Sewing plays an important part in our home economics courses for it teaches the girls how to make a garment and which clothing suits her best. **Shirley Baglio** "stay stitches" her skirt, while **Ellen Green** sews buttons on her blouse.

In home economics girls may develop skills and hobbies which attract their interest. Here a collection of autumn flowers and leaves are combined in a beautiful arrangement.

In home economics, future housewives learn the art of cooking by practice. Here **Susan Gunn** and **Sandra Winn** prepare to fry chicken.

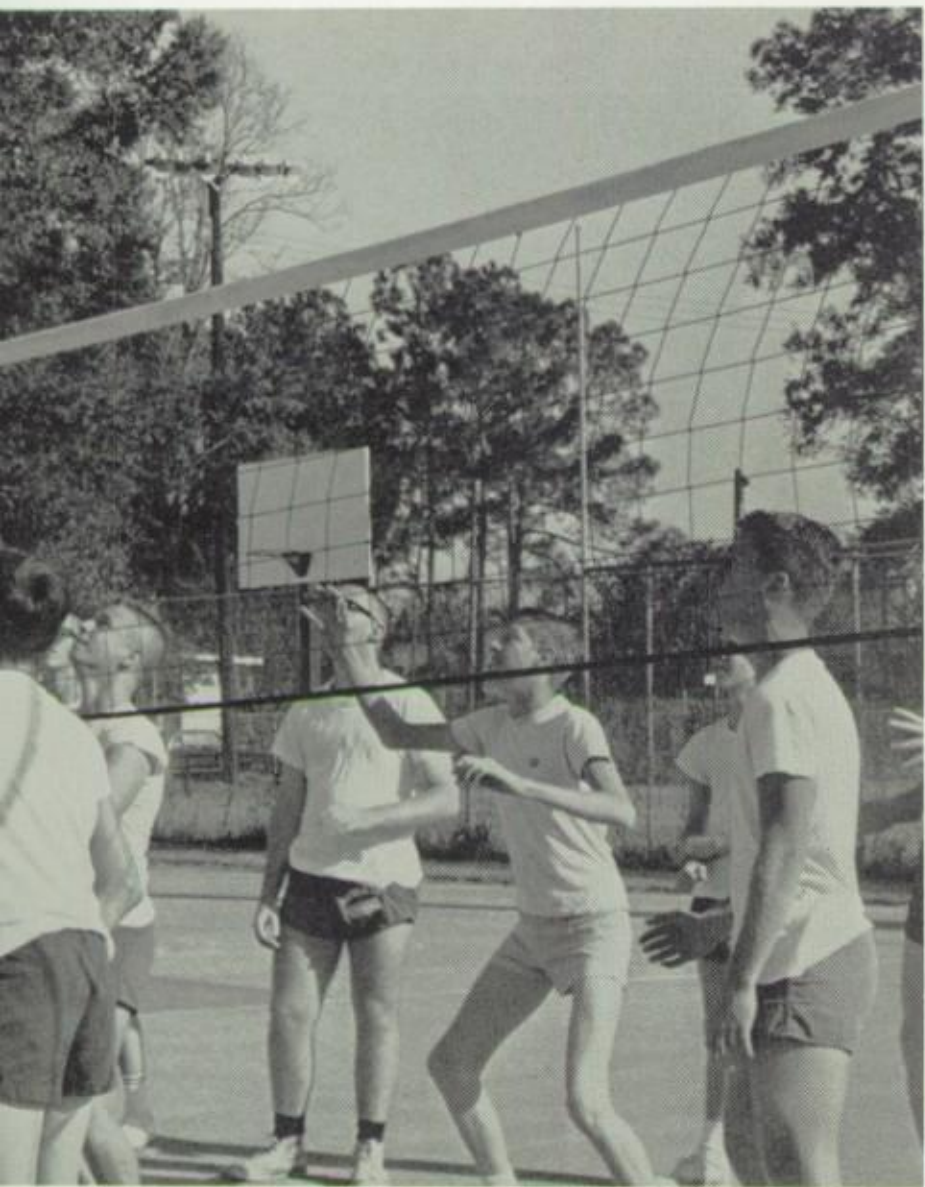

Bolton's basketball games were formerly played in the auditorium as shown in this old picture, but since the erection of the new gymnasium in 1952 we have adequate space for all phases of physical education.

PHYSICAL EDUCATION KEEPS YOUNG BODIES FIT

Girls who are taking "off-floors" or are not dressing out for the day still find gym classes enjoyable. Here a group of girls show mixed emotions as they cheer their team on to victory.

The whole team waits expectantly as **Bobby Marler** reaches for a lofty volley. Such exercise is a part of our late **President Kennedy's** physical fitness program which is aimed at making us all healthier Americans.

Intramural games make keen competition between teams in the different gym classes. This question of a tie is settled by a "jump ball," and the basketball is again in play.

In order to perfect the game of speedball, **Mrs. Brister** knows that her students must practice the fundamentals. Here she demonstrates to a group of girls the correct way to pivot and pass the ball.

Speed, co-ordination, and accuracy being developed through speed writing tests, **Helen Brown** competes, not only with her classmates, but with herself, to improve her skills in typing.

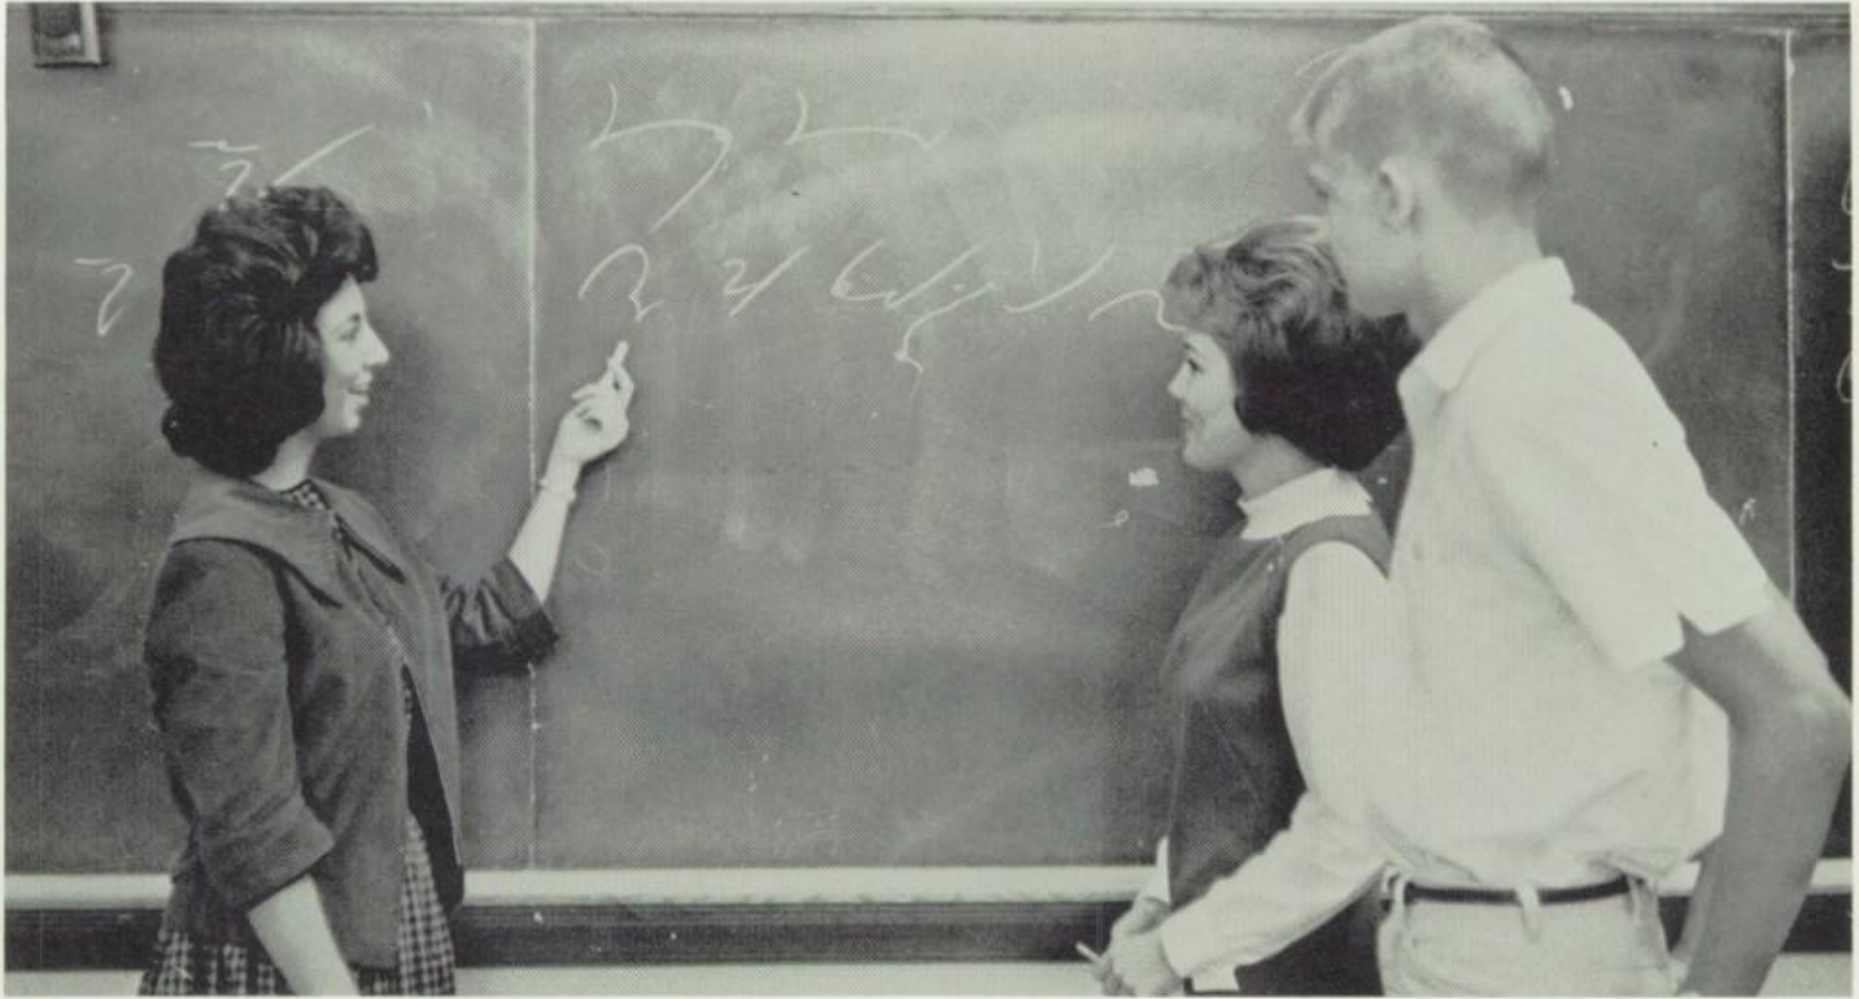

COMMERCE MOLDS FUTURE BUSINESS LEADERS . . .

Office machine courses offer an opportunity for **Julia Ward**, **Gilda Deville**, and other Bolton students to become familiar with the latest office equipment and techniques. This training will aid them in later work.

A popular subject which provides valuable training at Bolton is Distributive Education. **Ken Warner** occupies his afternoon by sacking groceries at **Child's** supermarket.

For those who plan to be secretaries, shorthand is a must; to those who are going to college, it will prove very useful. Here **Dale Riddick** shows **Sharon Smith** and **Max Fitzsimmons** basic shorthand characters.

Knowing that numerous jobs are open to the efficient secretary, pupils in secretarial practice make use of skills they have acquired in other clerical courses. **Susan Lee** pauses to catch her breath after typing her shorthand assignment.

The solution to some problems in bookkeeping involve the use of adding machines and other office equipment. **Joy Jacobs** demonstrates to **Wayne Zito** and **Lee Ann Stafford** the correct way to tabulate the figures.

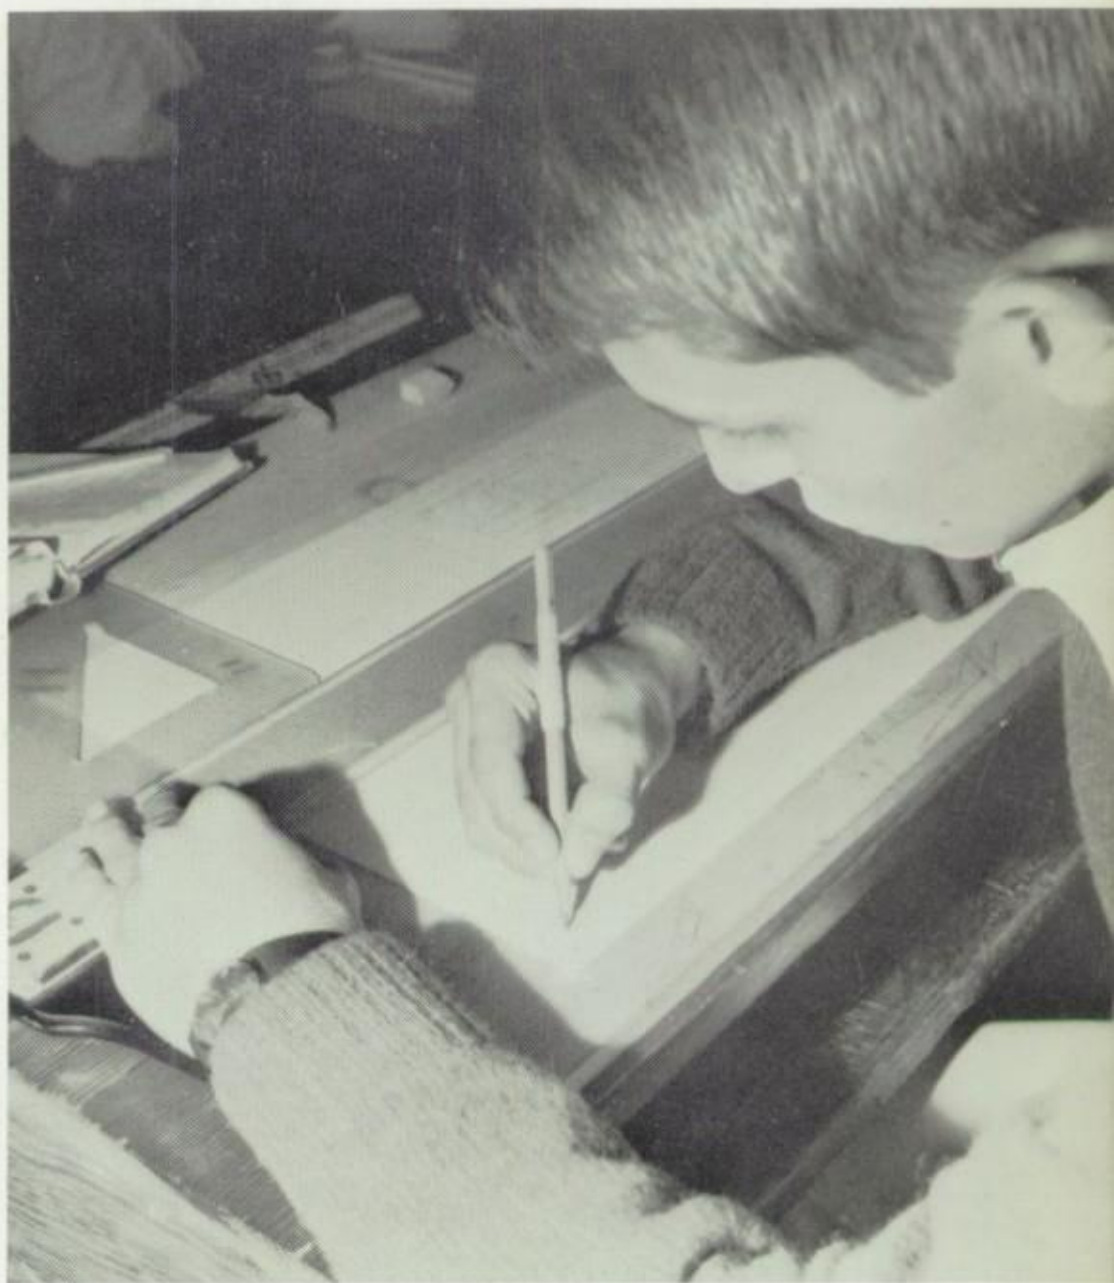

"Dust gets in your eyes," says **David Kirby** as he uses a piece of the new equipment in Bolton's well stocked shop department. In woodwork these boys gain valuable skills that will later prove to be an asset to them.

High school Juniors and Seniors gain valuable on-the-job training in Distributive Occupation. **Ilene Thompson** works steadily filing reports and records for Continental Trailways.

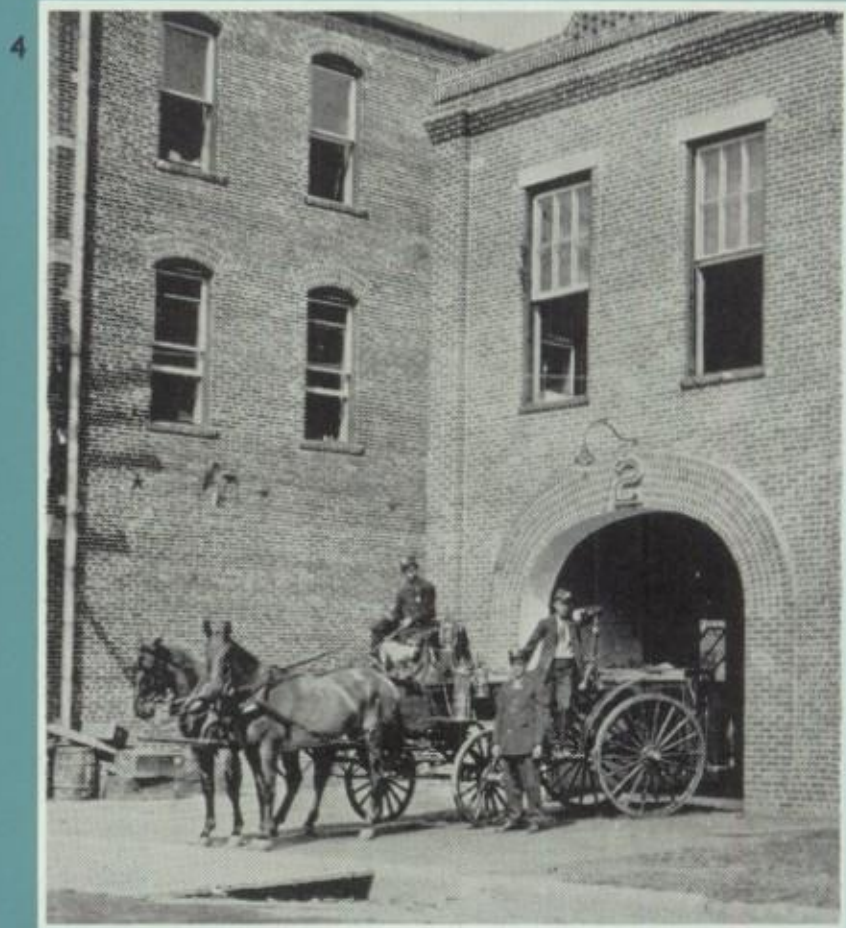

... BOYS LEARN SKILL IN MECHANICS

B.H.S. boys know that good engineers and architects will need the knowledge of layout that our mechanical drawing courses teach. Here **Beau Rougeou** uses the necessary tools to plan his layout.

Greasy but contented, **Wayne Kule** and his headless friend adjust wheel bearings in the model car. Auto mechanics gives boys a chance to complete training they will need if they plan to follow it as a career or simply to enjoy working with cars and keeping them in their best working condition.

Soon we Seniors of 1963-64 will leave Bolton High School to enter a bigger, more challenging world. Indeed, this world is becoming more vast, complex, challenging, as we end our high school lives. But as the world changes around us, Bolton changes too.

The name of this yearbook is of special significance. Since medieval times "bruin" has been used as a synonym for "bear," our mascot. Just as Maxie the bear has grown and changed from a little cub to a young adult, so the BRUIN, along with Bolton and her students, has changed and matured since its inception.

The changes that have taken place have made this year's Seniors some of the best ever to leave the halls of Bolton. Exceptionally large honors classes and the high scholastic average attest to the studiousness of the Seniors. Ten were chosen as National Merit Semifinalists.

Although our class is the first of those that will spend only three years as Bolton students, we certainly had no lack of school spirit and pride in our Alma Mater.

After three busy, but all too brief years, the Senior Class of 1963-64 is ready for the future. To Bolton High we owe a debt we can never repay, and we will remember her fondly as we make our way into the world.

JUNIOR CLASS

We, the Junior class, consider it an honor to attend Bolton and are proud to be members of its student body. For this reason we take pride in our accomplishments and set high standards for ourselves and our fellow students.

Active participation in sports and other extra-curricular activities is only one part of being a Junior at Bolton. We maintain a high scholastic average with a large percentage of students on the honor roll.

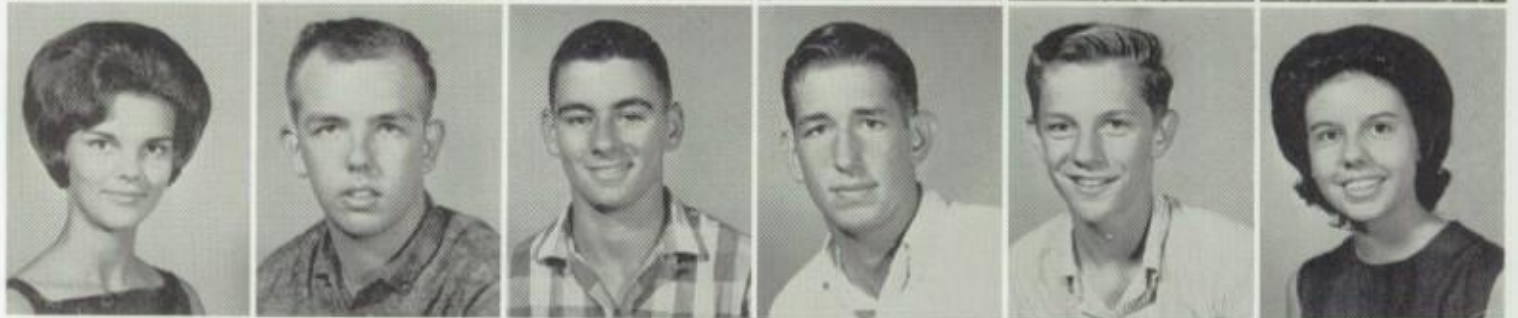

We have grown with Bolton and our town in years past, and because of this development, we hope to become better and more capable leaders as students and citizens in future years.

The fire truck symbolizes the readiness of the Junior class to participate in school activities. Leading the Juniors are **Pete Rizzo**, President; **Betsyellen Yeager**, Secretary; and **Charlie DeWitt**, Vice-President.

The first project the beginning art student undertakes in ceramics is sculptured animals. Sharon Grant, John Hicks, and Mike Pousson discuss the line and texture of their pieces.

It's round, it has a big blue stone, and a "B" on it. Helen Bennett longingly admires and wistfully dreams of the day when she will have her own, or maybe this senior ring.

Putting a good Bruin together is hard. Frankie Shelfo, junior editor, tries repeatedly to learn all about it.

SOPHOMORE CLASS NUMBERS 520

A new fire truck is an appropriate symbol for the enthusiasm of sophomores. Sophomore class officers are Vice-president, Robbie Lowther; President, Polk Culpepper; and Secretary-treasurer, Cathy Anastasio.

We, the Sophomores, can at last be proud that we are Bolton students. We have enthusiastically joined our fellow students in exhibiting our school spirit at pep rallies. Outside activities and sports divert much of our time. The Bruinettes for sophomore girls and the newly-organized Junior Debate Team are among the activities in which we may participate. Being Bolton's youngest students, we are striving to become its leaders eventually.

CLUBS AND STAFFS

STUDENT COUNCIL ENCOURAGES LOYALTY

The Student Council is one of our most important organizations. Established in the fall of 1951, its aims are to encourage pupil participation in the government of the school and to serve as a vital connecting link between the school administration and the student body.

The Student Council is composed of one representative elected from each homeroom. These representatives promote school spirit, encourage loyalty and fair play, develop a sense of justice and responsibility, and provide a practical example of a working democracy.

The Council is in charge of all student elections and sponsors the annual homecoming celebration, beginning with a parade and climaxed by a football game and dance. This organization has been in charge of the yearly magazine sale which is sponsored to raise money for school activities. Since 1959 the Council has been sending money to support a Korean War orphan, Kim Song Won. The Council also sponsors a party for the patients at Central Louisiana State Hospital and collects apples for them at Halloween.

Bolton's Student Council now holds membership in the National, Southern, and Louisiana Associations of Student Councils.

For the past six years the Bolton student body has been the foster parent of Kim Song Won, who was adopted under the Foster Parents' Plan. Through a nursemaid, Kim Song Won and the student body of Bolton often exchange letters. The students send him gifts on his birthday and special occasions.

Each year the Bolton Student Council conducts a food drive for needy families in town. The drive is climaxed by a house-to-house canvas for canned goods. Here students help the student council members, **Judy Gallien**, **JoAnn McCann**, and **Bill Casey** are shown "bagging" and "boxing" the cans.

According to a long-established tradition, the Student Council president is in charge of assemblies as well as his other duties as one of the outstanding leaders of the school. (Right) **John McLure** exercises his authority in this office at the weekly assembly. (Above) Assisting him in these various duties are Vice-president **Robert Ryder** and Secretary-Treasurer **Lynda Kirkpatrick**.

BRUIN RECORDS SCHOOL YEAR'S EVENTS

BRUIN, the school annual, received its name in 1924. The staff devotes hours of work toward its production under the direction of faculty advisor, Mrs. Foil. They select an appropriate theme and strive to recreate the school year. In doing this, endless problems must be met before an accurate portrayal is possible. Although the editing of a yearbook proves to be a tremendous task, members of the editorial staff feel amply rewarded when the finished BRUIN arrives.

At a banquet Editor-in-Chief **Shirley Hatfield** and Business Manager **Kathy Ewing** presented **Miss Louise Morgan** a silver tray upon her retirement as Bruin sponsor.

Rick Hardy offers **Kathleen Grantham** some advice on her section for the BRUIN.

BUSINESS STAFF HANDLES BRUIN FINANCING

Much hard work and many long hours are several of the requirements which are included in the financing of the BRUIN. The hard-working business staff is supervised by the Business Manager, Kathy Ewing, and the Sales Manager, Carol Richardson.

BRUIN BUSINESS STAFF—Top Row: Adams, Allison, Brewer, Brasher, Cleveland, Deckler, Henderson; Second Row: Herrick, Jacobs, Lamkin, Patten, Pearce, Shaw; Third Row: Smith, Stanley, Tassin, Walker, Weems, Welch, Yeager.

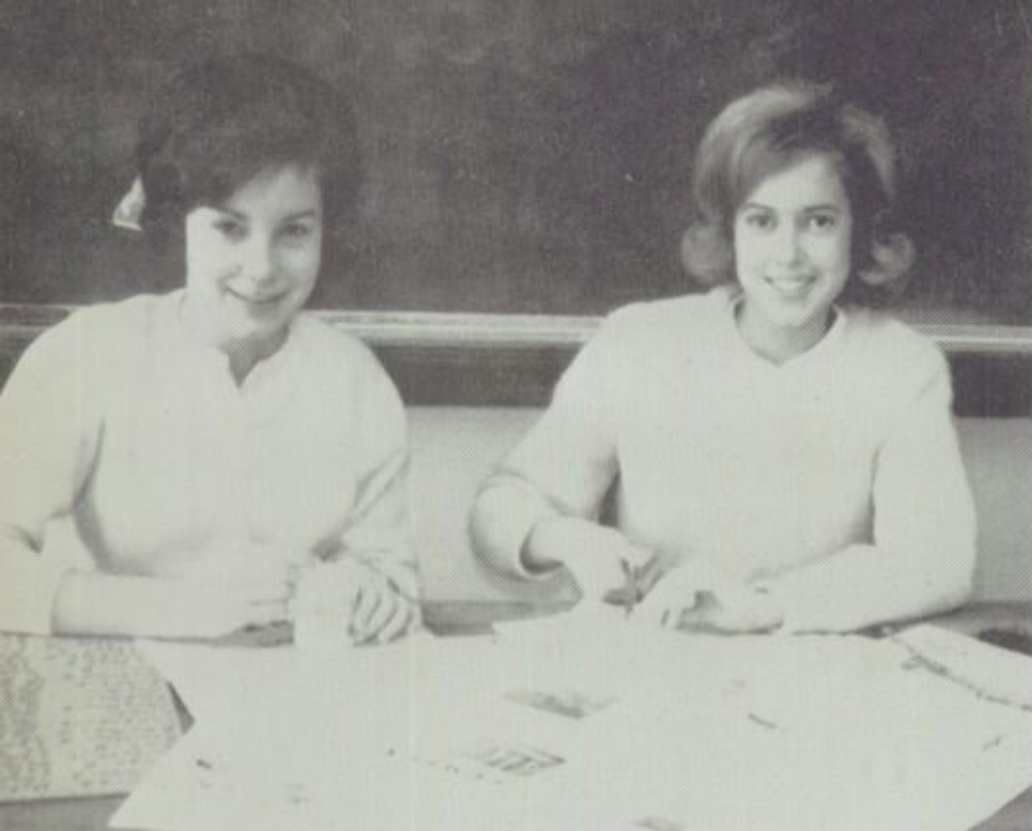

Advertising, selling Bruins, and constantly improving the ad section by comparing it with other yearbooks—all are a vital part of the work done by the Bruin Business. (Top left) **Connie Henderson** and **Ann Allison** hang one of the many posters that go around Bolton during the annual sale; (above) **Carol Richardson** takes money from an eager customer, **Massey Garr**, for his copy of the '64 Bruin; (below) **Mike Adams** carries a load of yearbooks for **Kay Henderson** to look for ideas for the ad section.

The BRUIN business staff cooperates fully with the BRUIN editorial staff and plays an important role in the production of the yearbook. The business staff handles the business and financial end of publication. Local business firms are contacted for ads in the Bruin.

The business staff also plans the budget for the yearbook, chooses ad layouts, and handles correspondence in addition to the Bruin sale. The work of the business staff is finished only when the goal of 1000 Bruins is sold and safely delivered to the students.

The content and page arrangement of the school newspaper is of vital importance to the editors of the Cumtux. Associate Editor **Phyllis Hinchin** and Editor-in-Chief **Barbara Maxwell** examine their work and discuss any possible changes that should be made to insure the best paper possible.

Cumtux, the newspaper at Bolton for nearly half a century, is acclaimed as the oldest high school newspaper in the south. Its name is derived from a Chinook Indian word meaning "a little bit of the best of everything." It serves as a medium of student information and a record of life at BHS, and is published sixteen times a year. Special features include the Big Chief Cumtux Election and the annual creative writing contest. The very latest gossip, thought-provoking editorials, sports happenings, club activities, and general goings-on fill the four pages of Cumtux. A special touch of interest is added by jokes, opinion polls, and humorous incidents from classes. No news concerning Bolton students is left untold, and its contents are eagerly read by all Boltonites. The year of newspaper work is climaxed by the Cumtux banquet, at which awards are presented and editors for the forthcoming year are announced.

CUMTUX SERVES AS BOLTON'S NEWS MEDIUM

Work, work, and more work is the recipe for Cumtux, the school paper. **Ellyn Green** types a portion of the latest issue of Cumtux.

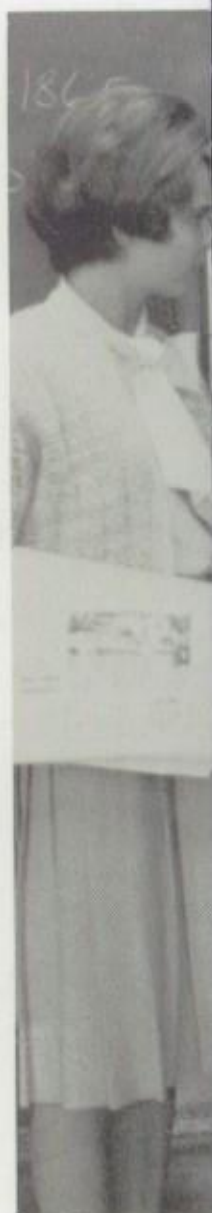

A scrapbook is made from the back issues of Cumtux to keep an accurate record of Bolton activities. **Linda Franklin** files some recent issues of Cumtux.

The financial report is a task that requires much hard work and a great deal of time from Circulation Manager **Danny Sullivan** and Business Manager **Gloria McNeil**. After their work is finished and the Cumtux is published, they relax by glancing over the paper they helped to produce.

BUSINESS STAFF PLANS CUMTUX BUDGET

The Cumtuxes are sold each Thursday morning to the students for ten cents a copy. **Sylvia Fleming** is shown selling a copy to **Jane Fobes** and **Sandra Fralick** while **Linda Townley** looks over a paper she just purchased.

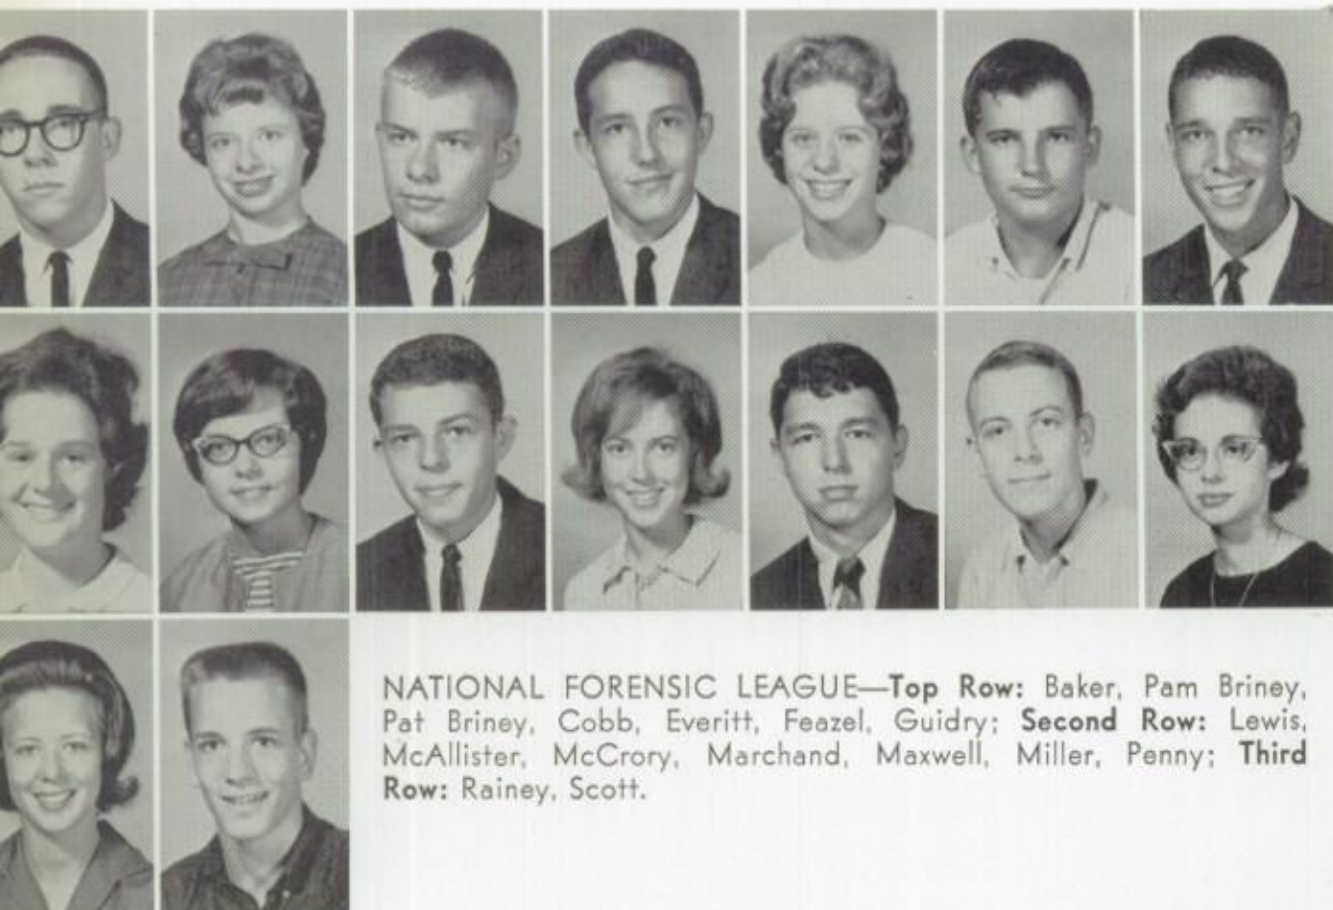

Selling advertisements to local merchants, keeping financial accounts of the newspaper, sending papers to subscribers, delivering issues to students, collecting money from the homerooms for Cumtux sales—all comprise the duties performed by the Cumtux business staff. In addition, the members of this staff are responsible for advertising the newspaper with posters and special skits on assembly and supervising the student subscription program which was initiated in 1960.

Working hand in hand with the editorial staff, the business staff handles the financial and practical end of the Cumtux work. Beginning in September, they comb the town soliciting ads that are vitally necessary to the production of Cumtux.

Selection to the Beta Tau Sigma chapter of the National Honor Society is one of the highest honors a Bolton student may attain. The NHS seeks to reward scholarship, while it stimulates an interest in learning and the pursuit of knowledge. Membership, based on outstanding character, leadership, and initiative, is limited to a small percentage of the three upper terms. Students are nominated each year by students and faculty. Service to the school and community is the purpose of this organization.

Quill and Scroll is an international honorary society for high school journalists. Members are chosen from upperclassmen who have contributed to one of the school's publications or worked in the Press Club. Sponsors nominate staff members considered best qualified, and these nominees are voted on by the club members. Members receive valuable training in journalism and creative writing.

The National Forensic League is an honorary speech organization open to all debate and speech pupils who excel in tournaments. Membership is attained through a system of points based on the ratings of individual events such as poetry reading, interpretation, oratory and extemporaneous speaking, as well as debate.

Additional honor may be acquired by applying for the higher degrees of Merit, Honor, Excellence, and Distinction. The N.F.L. recognizes students who have made outstanding progress in speech.

HONOR GROUPS INCLUDE TOMORROW'S LEADERS

Pat Briney, president of National Honor Society, and Gale Daniels, vice-president, post the honor roll list while treasurer Linda Kirkpatrick and secretary Susan Kohara decide which homeroom will keep the honor roll plaque for the next six weeks.

YOUNG KIWANIAS SERVE SCHOOL, COMMUNITY

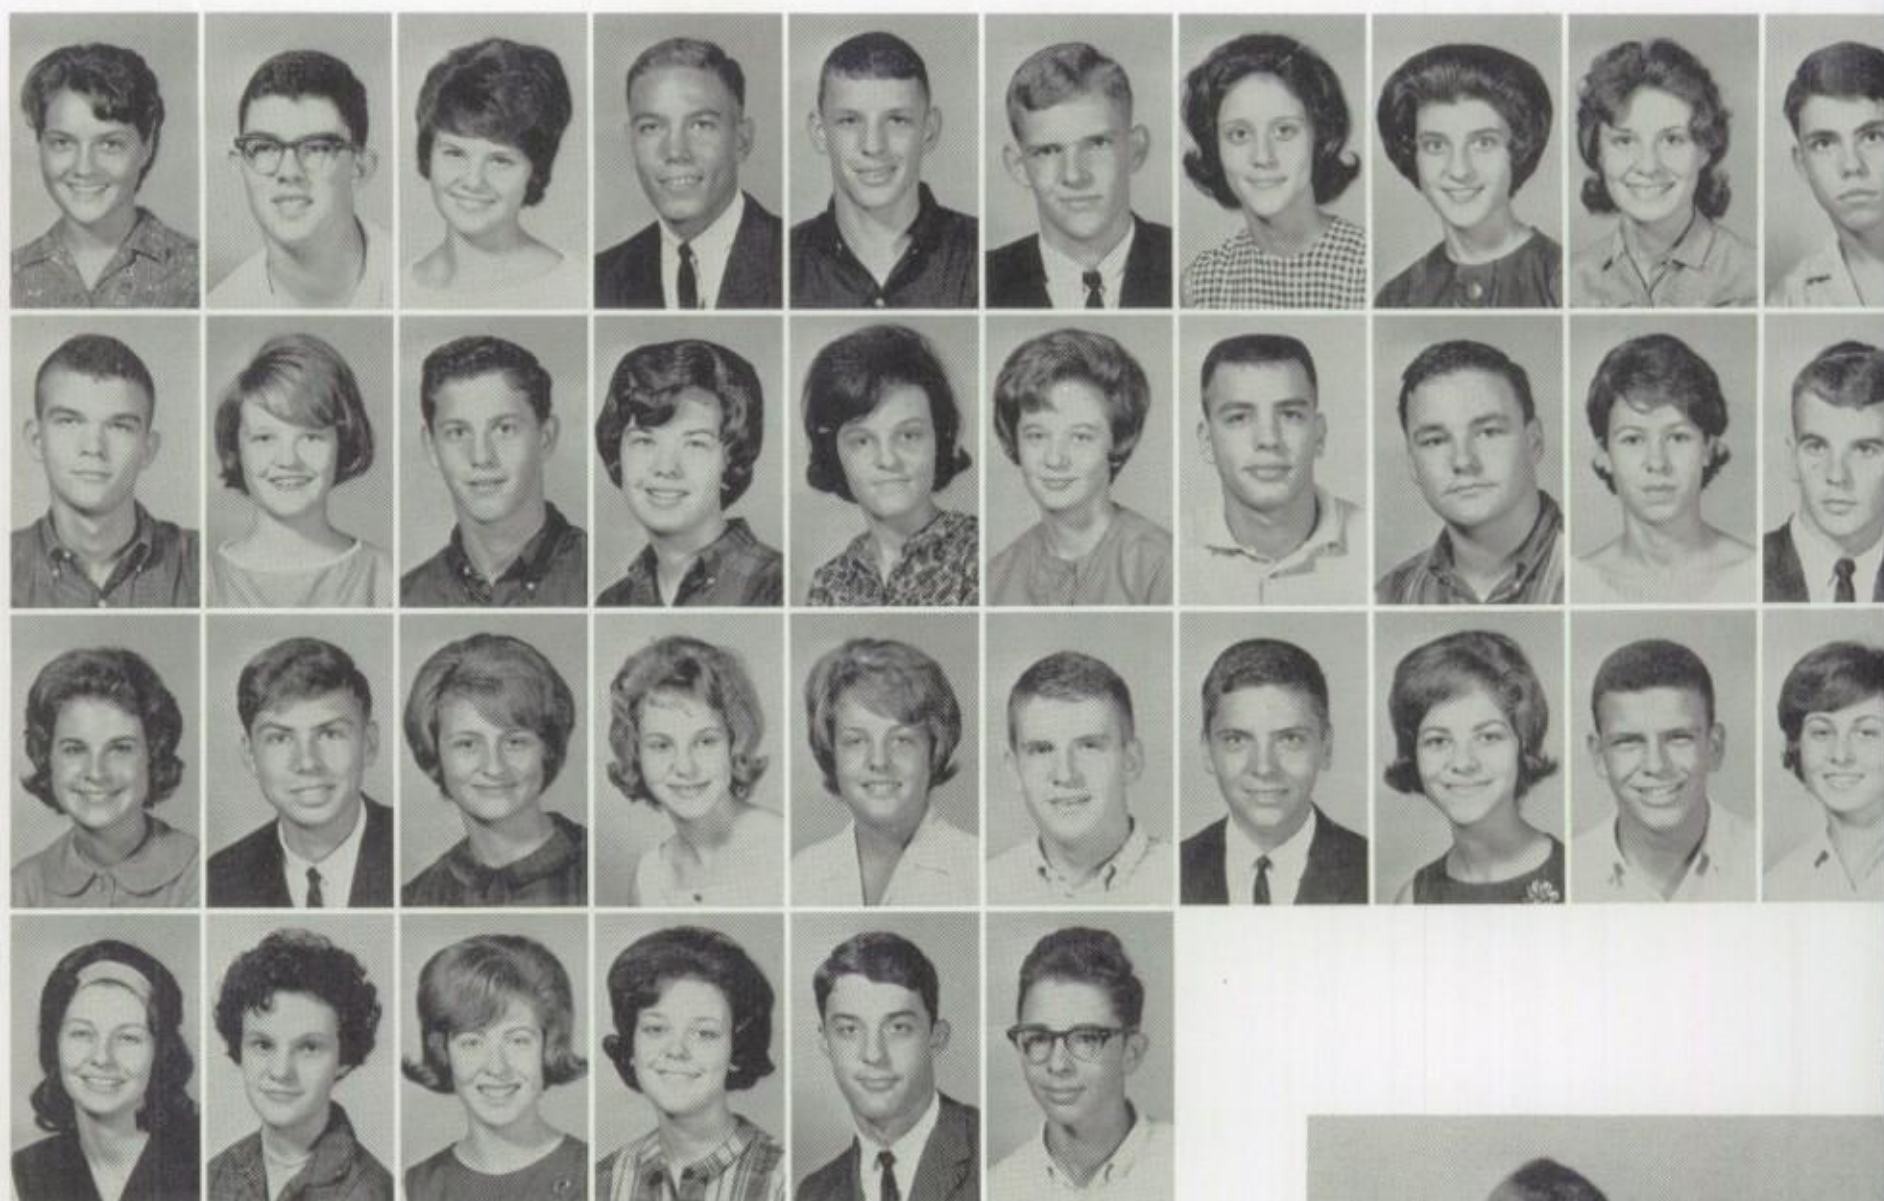

Members of the Key Club, a junior division of the Kiwanis Club, are chosen on the basis of leadership and scholarship. The club's goals are to develop initiative and leadership, to provide experience in living and working together, and to accept and promote the adoption of higher social, business, and professional standards. Its membership is limited to those who hold high the ideals of scholarship, loyalty, honor, and the service. The club is one of the most active organizations at Bolton High School. The members usher at the football games, direct school traffic, sponsor an annual Valentine dance and hold a leadership banquet, designed to recognize officers of various clubs and leaders of Bolton.

Members of the Bolton Key Club constructed a float for the Christmas parade held at the Pinecrest State School. Key clubbers shown at left are **Buddy Lee** (Santa Claus), **Bert Hogg**, and **Robert Ryder**. At right **Jeff Nolan** comments on Buddy's "newly acquired obesity."

The Red Cross officers must learn the procedures of first aid in order to be of help in case of an emergency. Secretary **Nancy Craft** and Vice-President **Julia Ward** watch as President **Carol Richardson** demonstrates the technique of simple first aid on Treasurer **Joy Hull**.

Bolton's Junior Red Cross Council maintains as its primary purpose to aid the needy and establish better relations with people throughout the world. It consists of one elected representative from each homeroom, and these representatives keep their homerooms informed as to the projects and activities of the Red Cross. The Council sponsors an annual membership drive which receives the widespread support of the student body.

Included in its yearly projects are the collection of winter clothing for the needy, Easter egg dyeing for children and patients at the State Colony and Training School, and volunteer work in local hospitals.

The highest honor a dramatic club student can attain is membership in the National Thespian Society. Membership is gained by a system of points earned through participation in speech activities. The aims of the organization are to establish and advance standards of excellence in all phases of dramatic arts, and to create an active and intelligent interest in dramatics.

Thespian officers, Catherine Wall, vice-president; Nancy Craft, historian; Jan Penny, secretary-treasurer; and Mike Adams, president, meet backstage to discuss the lighting for their next play.

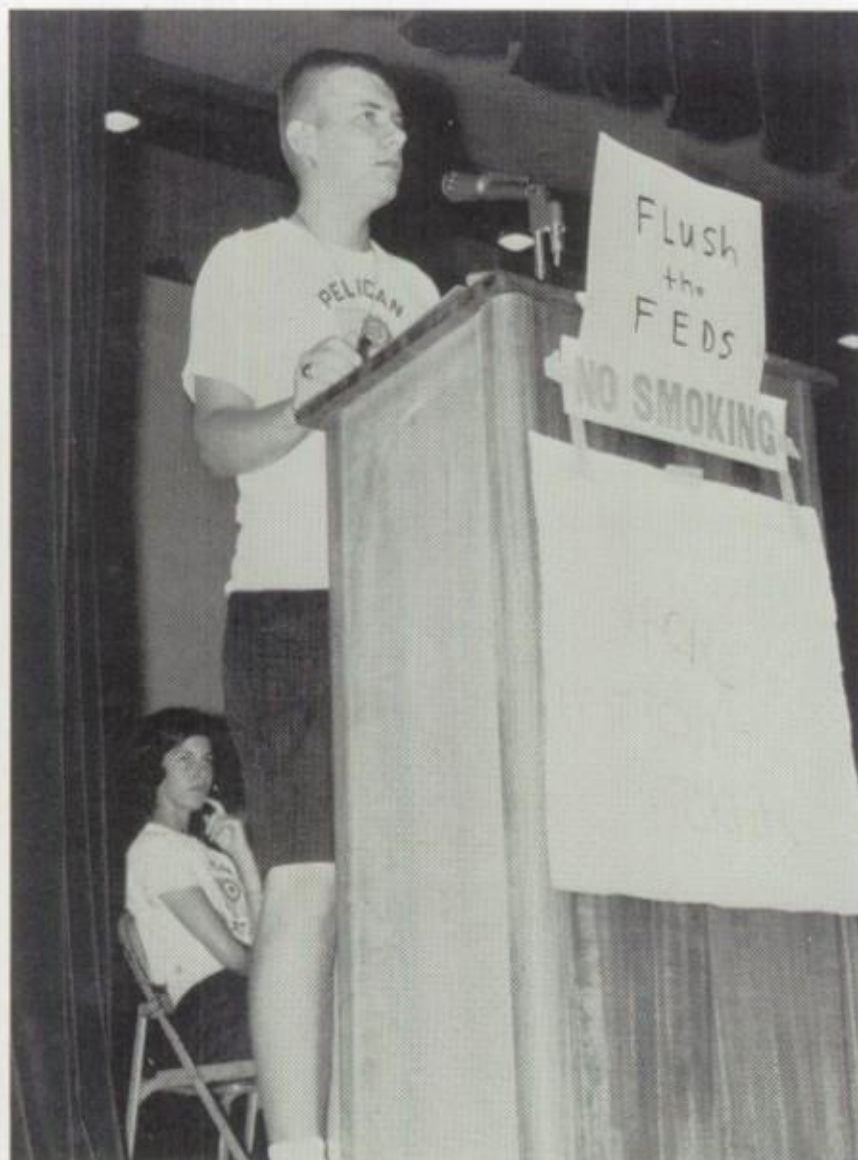

Steve Brewer and David Brewer help Dede Mülle and Gloria McNeil fold clothes in preparation to deliver them to underprivileged families during the annual clothes drive.

PEL-STATE, LEADERSHIP INSPIRE IDEAS

Pelican Boy's State Governor **Pat Briney** explains the serious views of the convention. Pat was elected governor in the elections that all the delegates to the convention took part in.

Top Row: Berry, Beurlet, Briney, Callahan; **Second Row:** Craft, Daws, Gilbert, Hogg; **Third Row:** Jacobs, Kretzer, Lindsley, Slocum.

The Pelican State delegates presented different phases of the convention to the school on assembly one morning. The boys demonstrated several new songs that they learned while at LSU by acting them out. The enthusiasm with which the delegates ended their program was shown when the boys sprayed the girls with their water guns.

As Kathy Ewing and Frances Fiorello look on helplessly, Bruce Goodwin exclaims, "They just won't fit!" trying hard to get several large pieces of luggage for Leadership delegates to fit into the trunk for the Baton Rouge trip.

Last summer seventeen Bolton Pelican Staters—eleven boys and six girls—joined with other delegates from the high schools of Louisiana to take over the LSU campus in a whirlwind of political experience for nine days. Selection of the delegates is made each year by the previous year's Pelican Staters, the faculty, and the Junior class, from which the delegates are chosen.

Sponsored by the American Legion, Pelican State's chief aims include the education of high school seniors in the rights, duties, and responsibilities of citizenship. Delegates are assigned "cities," "parishes," and mock elections are held, thereby giving them the opportunity to receive first-hand experience in practical politics. Bolton High School had the distinct honor of having one of its seniors, Pat Briney, win the Pelican State governorship.

Each year on the Louisiana State University, Leadership Conference provides vital experience and training to carefully selected Bolton students prominent in the fields of speech, journalism, recreation, and library science. To be selected to go to this conference is one of Bolton's highest honors. Students attending Leadership Conference find most valuable their instruction and experience in the things they represent. Bolton's representatives Beverly Gewertz and Mike Colvin were elected news editor of the "Leadership Voice" and section editor respectively.

CHEERLEADERS, DRUM SQUAD DISPLAY SPIRIT

Beginning the day of a football game, several Bolton cheerleaders, **Beth Fowler**, **Pat Kelsey**, and **Neill Foote**, lead an enthusiastic group of students in a pre-school pep rally between the two wings of Bolton.

Sunshiny smiles are always on the faces of Bolton cheerleaders. Their enthusiasm and spirit lead the student body at pep rallies and games. Our peppy cheerleaders are **Dottie Daws**, **Faith Brouard**, **Lacy Edgerton**, **Pat Kelsey**, **Neill Foote**, and **Beth Fowler**.

DRUM SQUAD—**Front Row:** Bolton, Daniels, Donald, Weems, Painter, Wilder, Calloway, Baglio, Bell, Partridge; **Second Row:** Bolton, Gallent, Simpson, Saunders.

The cheerleaders provide the moral support and school spirit at Bolton High School. They enliven every football and basketball game with their enthusiastic cheers and yells. The success of the team and the degree with which the student body enjoys the game depends in some measure on the cheerleaders. They also work behind the scenes, decorating the goal posts for home games and greeting visiting cheerleaders.

Alternate cheerleaders perform the same func-

tions at junior games and gain valuable in-training experience. They provide the pep and enthusiasm at all "B" Team games and coach the Bruinettes in cheering. They also substitute for the regular cheerleaders when they cannot attend a game.

The drum squad provides the rhythm and beat for the formations and marching steps of the Boosters. These girls are selected in tryouts from a group of about forty.

The alternate cheerleaders are perhaps the most enthusiastic supporters of the "B" team. It is their duty to lead the Bruinettes at "B" team games where their spirit is unmatched. Here are our alternate cheerleaders: Karlyn Painter, Jan Penny, Tricia Weems, and Pat Iles.

BOOSTERS—Top Row: Allen, Allison, Bagley, Bales, Beuhler, Blakesley, Brandau, Briney, Bruyninckx, Carter; **Second Row:** Clayton, Cleveland, Cole, Collins, Daniel, David, Dillin, Ewing, Eyer, Fiorello; **Third Row:** Fleming, Fonville, Fowler, Gates, N. The Boosters Club was organized in 1922. The purpose of this organization is to boost worthwhile projects. They serve as ever-ready supporters of the Bolton team and are chosen on the basis of scholastic achievement, willingness to work, and dependability. Their precision half-time marching maneuvers and clever hand signals never fail to entertain the grandstand crowds. They also assist the cheerleaders in their yells and help arouse enthusiasm and school spirit.

The Boosters add a colorful atmosphere to the annual Homecoming ceremonies, march in parades, and help cheer at the basketball games. The organization sponsors a Soc Hop after the first home football game for the entire student body. It also holds another dance in the spring for just the Boosters in addition to the annual Booster Talent Show held in March. This club is one built on school spirit and strengthened with service.

BRUINETTES SUPPORT BOLTON "B" SQUAD

The Bruinettes are chosen from the sophomore class on the basis of leadership, character, scholarship and marching ability. The members bolster school spirit and enthusiasm and are trained for future service in a Booster squad.

The Bruinettes also sell peanuts, popcorn, and programs at all football games. They cheer at all home "B" team games and at some of the basketball games with the Boosters.

The Bruinettes aided the Boosters greatly by acting as "guinea pigs" during Booster officer tryouts. The future Booster squad leaders marched, drilled, and led the Bruinettes in hand signals.

The Bruinettes chose their officers with great thought and consideration. They elected Susan Laningham, Mary Middleton, Rosaling O'Brasky, Kathy Anastasio, Sandra Laningham, Mary Tassin, and Kathy Messer as Squad Leaders led by President Charlotte Cappel.

The Bruinettes are taught how to march by the Booster officers each Wednesday afternoon after school. After they have practiced for about two months, the Boosters begin to grade them. They are graded on their marching ability as well as on many other points such as posture, scholarship, and character. They must be above average in all these qualities before they are accepted into Boosters the following year.

Walter Pilcher chats with a fellow short wave enthusiast in another state during his free period.

Bolton's Amateur Radio Club was organized as the result of a demand by student short-wave enthusiasts. The club gives an opportunity to its members to study radio construction, transmission, and reception, and learn the various codes of radio therapy. Their goal is to secure an operator's license by passing the rigid requirements of the test. The Radio Club works closely with the Civil Defense Program. Members of this club operate Bolton's day station in the school building. They are able to talk to people all over the United States over their short-wave radio sets.

Officers of Bolton's newly-organized Amateur Radio Club testing equipment are President **Walter Pilcher**, vice-president **Richard Rand**, and secretary-treasurer **Gary Remillard**.

The Band performs at each home football game for the benefit of all the fans. Here they put their best foot forward to entertain the Homecoming crowds.

The Band consists of eighty members and is known as one of the finest marching bands in the state. Three of its members were selected for the 1963-64 Louisiana All-State Band. The band's smart stepping unit is first to light the flame of excitement in the crowds at football games, parades, or pep rallies. At every half the band marches with the Boosters and provides the beat for their steps; in the grandstand the band is the background for every cheer.

After football season, concert practice begins and culminates in a Spring Band Concert. The band takes part in the music festivals in Natchitoches, and the Concert Band Contest in Lafayette.

The Band members perform in their new navy and gold uniforms patterned after those used by the West Point Military Academy Band.

CHOIR, MADRIGALS DELIGHT ALL AUDIENCES

The Bolton High School Choir consists of students well versed in music. They present many programs during the year such as concerts, a televised Christmas program, and appearances on assembly programs. This year their activities included performances for the Kiwanis Club, Civitan Club, and a dedication banquet held at the Masonic Temple. Outstanding was the performance of Vivaldi's "Gloria" accompanied by the Northwestern State Symphony Orchestra in Natchitoches, La., and again repeated in the Bolton auditorium.

The relentless rehearsing of the Choir members never ceases. In preparation for a forthcoming engagement, Mr. LeDoux helps one group achieve perfection.

Besides learning lines and enacting roles, members also contribute by selling tickets, prompting, handling sound effects and managing lights.

Membership in the National Thespian Society is the highest honor a member of the Dramatic Club can achieve, and this can be attained by points in the field of dramatics.

Also on the Dramatic Club agenda are the local, state, and regional speech tournaments from which Bolton always returns with a large share of awards.

STUDENTS LEARN FRENCH HISTORY, CULTURE

The French Club consists of members who are taking or who have taken one or more years of French. Interest is promoted in the study of the French language, culture, history, and civilization. Much is learned of the background of France and its people. Many students correspond with students in France and enjoy French newspapers and magazines.

Each year the French Club sponsors a worthwhile project which will be beneficial to the school. In the past few years they have contributed phone booths, clocks, and a trophy case to the school.

Every fall, the club elects a queen to represent it in the Homecoming Parade. She is chosen on the basis of scholarship, beauty, poise, and talent.

Nancy Kretzer, this year's French Club Queen, was chosen for her charm and beauty. She represented the club in the Homecoming parade. She is secretary of the French Club, was chosen as a favorite by her classmates, and is involved in various other extra-curricular activities.

To learn how to speak French more fluently, the officers of the French Club, **Gordon Brewer**, president; **Harold Chambers**, vice-president; and **Nancy Kretzer**, secretary, make good use of the language laboratory.

The Spanish Club provides its members with an excellent opportunity to obtain knowledge of Spanish and Latin American culture and of their influence on the world and especially Louisiana. Its meetings are interesting and its programs present the customs and history of the Spanish speaking people. With the help of a language laboratory each student acquires the correct pronunciation of the Spanish language.

Taking an active role in the community and school affairs, the Spanish Club contributes each year to the Alexandria Doll and Toy Fund, and enters a float in the annual Homecoming Parade. An award is presented each year to the outstanding student of third year Spanish.

Members of this club participate annually in the slide rule contest held at Northwestern State College in Natchitoches, Louisiana.

The Science Club, organized to meet a demand for increasing scientific experimentation on the high school level, has developed to the point of offering invaluable experience to students interested in the scientific fields. The club maintains a collection of pamphlets and materials which offer even the casual student of science a new and interesting approach. The sponsorship of an annual science fair helps to further stimulate study of scientific methods and procedures among Boltonites.

FUTURE NURSES

The F.N.A.'s main objectives are to promote an interest in nursing and to give to the members some knowledge of the profession. Guest speakers from the various medical fields give lectures at the meetings and help inform the members about the types of work involved in a nursing career.

Affiliated nationally, the F.B.L.A. sends delegates representing Bolton to national and state conventions. Selling Christmas cards was the organization's money-making project this year. Members of this club must have taken or be taking some commercial course in school.

Distributive Education makes it possible for students to develop business leadership while obtaining a high school education. Through the cooperation of business firms, the school offers the students an opportunity to receive training under actual working conditions by offering half-day jobs. The working student attends school during the morning and works at a local business firm during the afternoon. Applicants must be juniors or seniors, who are interested in this training, and who will benefit from the opportunities offered.

STAFFS SERVE WHOLE SCHOOL

Office workers, who are chosen on the basis of scholarship, character, congeniality, and general ability, must be capable of handling a variety of tasks and responsibilities. Those in the assistant principal's office make out monthly transfer reports, type daily absentee lists, and help in checking pupils in and out of school.

The guidance staff undertakes such responsibilities as maintaining an orderly filing system, delivering messages, and typing student records.

The work of the main office staff includes typing, filing cards, checking records and schedules, answering the telephone, and assisting with announcements. These groups help to make possible the smooth operation of the office and in turn the efficiency of the school.

Treasury Assistants, Diane Anderson and Randee Price, work diligently to assure an accurate account of the school's funds. In this way they provide unmeasurable service to Mr. Thompson, the school treasurer.

Members of the stage crew are in charge of handling all back-stage machinery. The curtains, scenery, and lights, as well as the sound effects equipment, are operated by this staff.

Filmstrips offer a supplement to textbooks in many Bolton courses. **Mr. Taylor's** projection staff is responsible for showing these films to the classes. **James Knoepp**, senior projectionist, prepares a film to be shown.

In these troublesome days of world strife and pending future, we must look to the sustaining force of patriotism to uphold and renew our faith in God and our ideals of government and justice. The American flag, symbolic of our freedom, instills in our hearts a flaming desire to defend our government and democratic way of life. The Bolton High Color Guard, **Bobby Young** and **Joe Davies**, have been entrusted with the care and safekeeping of our symbol of democracy.

The Cafeteria Staff offers one of the most valuable services to the school. It works during the three lunch hours to serve lunch to Bolton's fourteen hundred students. The staff's job includes scraping plates, washing tables, and serving food to students.

School supplies, candy, and cokes are sold in the canteen by members of the Canteen Staff, under the direction of Mr. Fitzgerald. During the lunch hour and before and after school, they work in shifts to meet the demands of students.

The Concession Staff works at football games under the supervision of Mr. Taylor. They work under the stands to sell cokes and popcorn to hungry fans.

A tired team sits, a weary quarterback kneels, as Head Coach Ray Mills listens while Tim Cogswell explains the problem.

Frustration, heartache, gladness, joy—all of these were a part of the 1963 Bolton Bear football season. Not moving the ball, fumbles and interceptions, brilliant defensive play, and the thrill of a well coached team, working together for the yelled-for score, marked a season that left memories of pride in the team, and appreciation for their contribution to the school.

Coach Ray Mills led the Bears to a 6-4 record in meeting some of the better AAA teams of Louisiana. One loss, to Byrd High of Shreveport, eventually was judged as a win, by forfeit, when it was revealed that Byrd had used an ineligible player.

Bolton opened against a strong Ouachita team. After a slow first half, the Bears got rolling and came away the winner.

The following week, West Monroe edged the Bruins, capitalizing on errors not yet worked out by the improving Bolton team.

The trip to Lafayette brought not only television, but also rain. In what was mostly a defensive battle, Bolton was edged out by a score of 13-6.

Back home in Bolton Stadium, the Bears faced one of the most powerful teams in Louisiana when they met the Istrouma Indians. With a determined offense, Bolton tallied 10 points via a field goal and a touchdown and point after. Brilliant on defense, the Bears held the Indians' vaunted offense scoreless.

A flashback to the errors committed at the beginning of the season cost the Bears a win against LaGrange. The Gators, who later reached the semi-finals in the state play-off, trounced the Bears, 33-0.

In probably the most exciting game of the season, the Bears tangled with Byrd High in Shreveport. The Yellow Jackets squeaked by with a score of 19-14, but were fought down to the whistle by a Bolton passing game that had everyone on their feet.

After the loss to Baton Rouge, the Bears roared back to outpoint a good Sulphur team, found themselves in little trouble beating New Iberia, 33-15, and were not pressed hard in concluding the Lake Charles game with a score of 27-6.

The 1963 season resulted in honors being received by many of the members of the Bear team. For his outstanding line play throughout the season, Bill Bates was chosen as a member of the Louisiana AAA All-State Team.

Though the year had its disappointments, we recall many thrills and will remember that Bolton High once again met the challenge and was ably represented on the gridiron.

BEARS OPEN SEASON ON HIGH NOTE

Bolton 34
Ouachita 6

Bear forward wall refuses to allow this fleet opponent to cross the line.

Shaking off opening night jitters, the Bolton Bears rallied in the second half to defeat Ouachita, 34-6.

Boasting only of a solid defense in the first half, the Bears opened the second half with a real determination to score. And they did just that! After only five minutes and nineteen seconds, Bolton had scored 20 points, giving them a commanding lead in the game.

After receiving the kickoff from Bolton at the beginning of the third quarter, Ouachita was unable to move the ball. On fourth down, the Ouachita punter, hard pressed by Robert Ryder, was unable to get his punt off and was tackled by Paul Chambers on the 16 yard line. On the very first Bolton play, Richard Golmon powered his way to the end zone for a touchdown.

After Golmon's touchdown, the Bears kicked the ball to Ouachita's Don Powell. The power with which Powell was hit by the Bears' Joe Holcombe caused a fumble, allowing the alert Bill Bates to recover on the 32-yard line. Bolton called on Golmon again who immediately proceeded to negotiate the 32-yard trip to six points.

On the next offensive opportunity, the Bears took the ball on Ouachita's 36-yard line. After D'Amico gained three, Tim Cogswell, brilliantly faking to D'Amico and Golmon, found Gray Easterling all alone on the 10-yard line. Receiving Cogswell's fine pass, Easterling had only to walk in for the TD.

Bolton 0
West Monroe 12

West Monroe took full advantage of their opportunities and defeated Bolton 12-0 in a hard hitting game. Glenn D'Amico returned the opening kickoff to the Bear 38. In this first offensive drive, the Bears moved the ball to the West Monroe 21. Unable to gain, Bolton lost the ball on downs.

After five plays, the Bears found their backs to the wall as West Monroe carried the ball to the Bolton 2. The stout Bolton defense caused West Monroe to use four plays to gain the 2 yards needed for the score.

The second period saw the Rebels sustain a drive of 75 yards for their second score, increasing their lead to 12-0 over the Bears.

The second half opened with the Bears receiving the ball, bringing it up to their own 26-yard line. A consistent drive carried the ball to the Rebel 36, when a fumble gave West Monroe the ball. The remainder of the game was a give and take battle with neither team scoring, ending with the final score, West Monroe 12, Bolton 0.

The Bolton bench is empty as the squad stands along the sideline, alert to every play.

Bolton 6
Lafayette 13

Aided by a determined aerial attack, Lafayette beat Bolton 13-6.

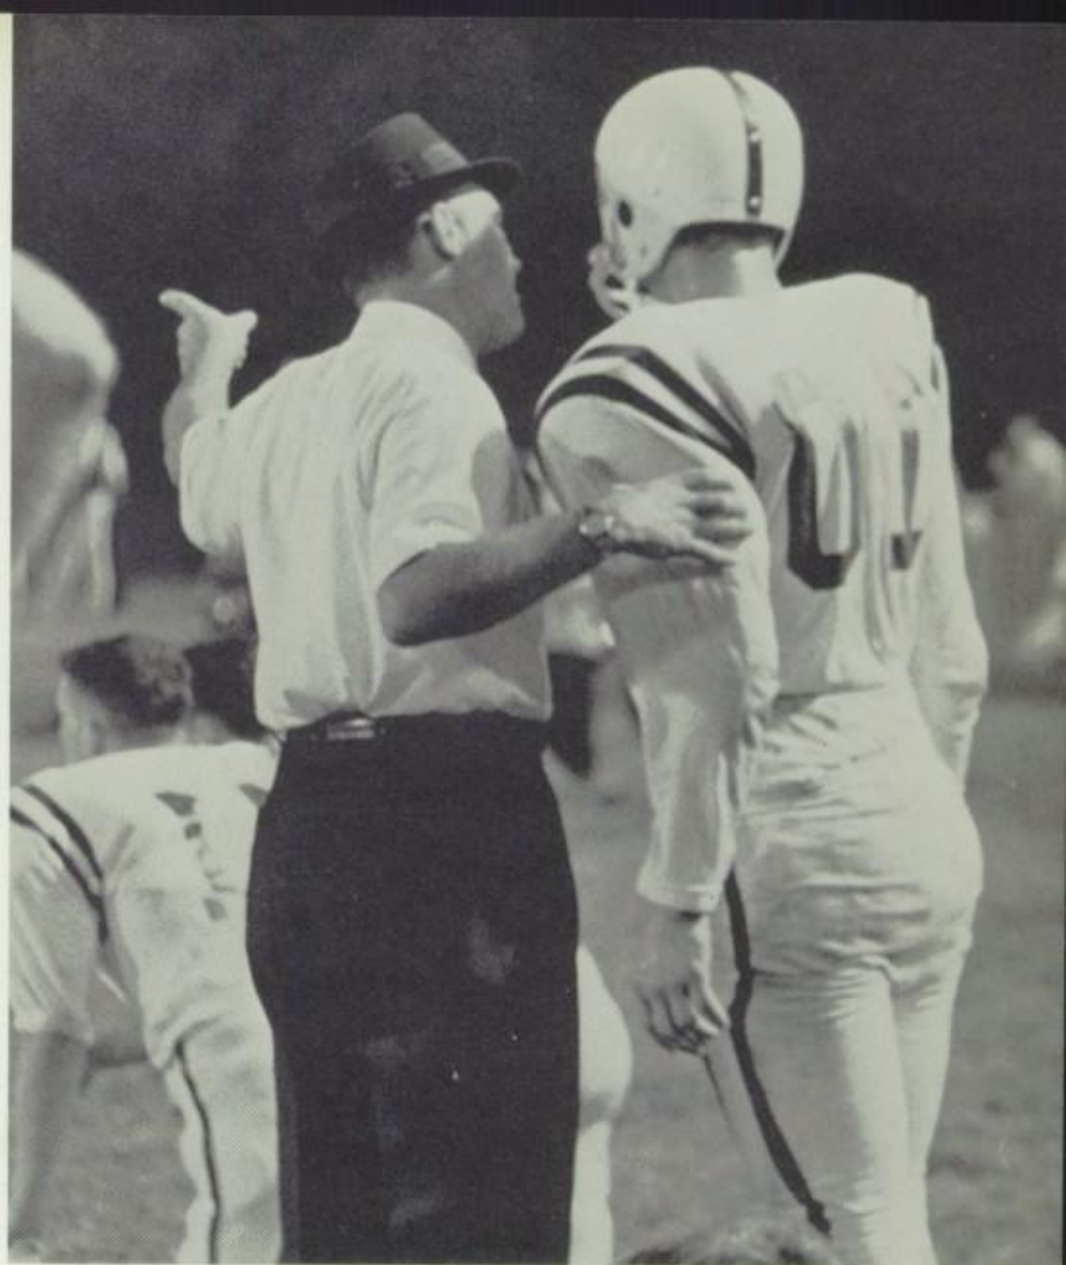

Neither team could muster a threatening drive during the first half of play. Yet, it was this outstanding defensive playing that resulted in the lone Bear tally.

After Johnny Downs punted dead on the Lafayette 18, Joe Holcombe broke through the Lafayette front wall to block a fourth down punt which resulted in Bolton having the ball, first and goal, at the 8-yard line of the Lions. Three plays and a penalty later, the ball was on the 2. A mix-up in signals caused a fumble with Lafayette recovering on their 1-yard line. On first down, the Lion fullback attempted to skirt the end but was swarmed under in the end zone with Ronnie Dion recovering for the Bears, giving them a 6-0 lead as the half ended.

Following an exchange of punts, the Lions scored on a 48-yard pass play. The PAT was no good and the score was 6-6.

Bolton returned the kickoff to their 44. Two plays later Lafayette intercepted a pass. The Lions scored the final TD on an over-the-middle pass. They now led 13-6.

Though Bolton filled the air with passes, they couldn't get back in the game and the final score remained 13-6, Lafayette.

BEARS SCORE UPSET OVER ISTROUMA

Bolton 10
Istrouma 0

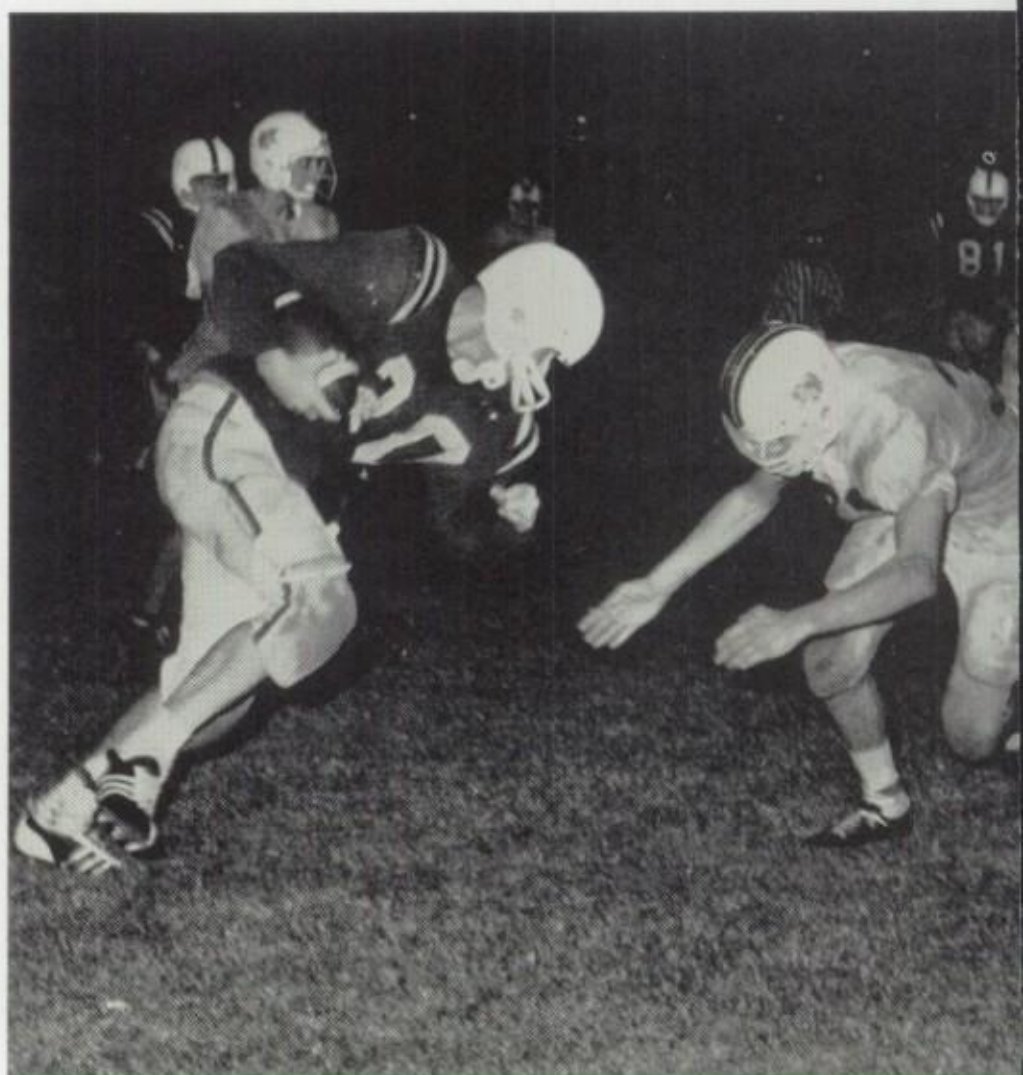

Junior quarterback Ken Murchison slew his first giant as mighty Istrouma dropped with a score of 10-0 in a game played in a steady drizzle.

After an exchange of punts, Bolton drove 66 yards to set up a field goal by Mike LaCaze. The surprise score was kicked from the 13-yard line with Randy Brodnax snapping the ball accurately through the wet.

Later, the ball was fumbled and Joe Holcombe fell on it at the 18-yard line. Then Murchison pulled a dandy. He sent Golmon into the line. Richard made a perfect fake, with practically the entire Istrouma line crashing in on him. But Ken had expertly pulled the ball back and faded. The deep man had started up to help out on tackling Richard. When he did, Tim Cogswell cut behind him and Murchison fired a pass for the touchdown. Mike LaCaze kicked the extra point and Bolton led 10-0 in the first half.

Johnny Downs protected the lead with his fine kicking while tackle Joe Holcombe, end Tucker McLure, and guard Bill Bates were especially impressive on defense. The whole Bruin team performed superbly, letting hapless Istrouma inside the Bear 30-yard line only once during the second half, thus providing a 10-0 victory over last year's Louisiana high school football champs.

Head-first, halfback Richard Golmon crashes into a determined opponent.

Concern, a spark of happiness, and deep interest in an action filled game is reflected in the faces of the Bears waiting for the signal that tells them it is their turn to enter the game.

Bolton 0
LaGrange 33

LaGrange turned in its traditional performance against Bolton, beating the Bears 33-0.

Soon after the opening kickoff, Bolton lost the ball when LaGrange intercepted, running the ball back to the Bear 35, fumbled, and picked up 10 yards more when a teammate recovered. Ten downs later the Gators ripped over from the five to score.

With 11:33 left in the second quarter, LaGrange had scored its second TD. Four minutes later they were at it again. This time they went 48 yards in five plays, scoring on a 27-yard pass.

A Bear fumble was recovered at the Bolton 32 by the Gators and they were on their way once more. This time in four plays with only 0:56 left.

During the second half, the Bears played better ball, allowing only one touchdown. It was a 93-yard kickoff return.

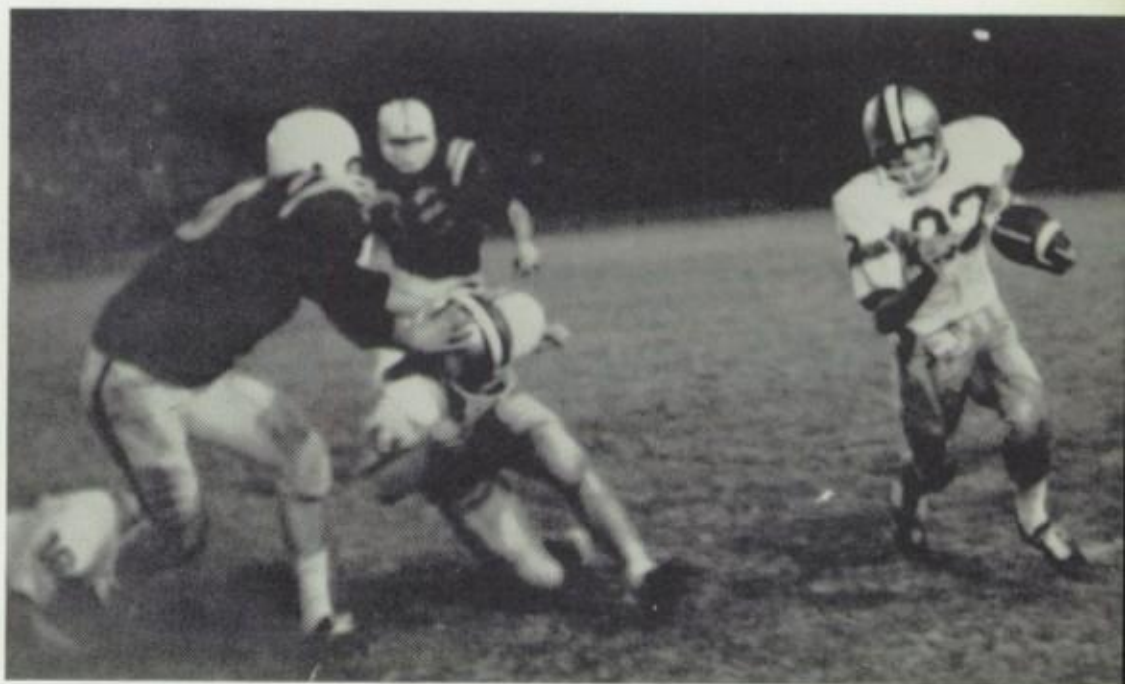

The opening kickoff bounced over Savoy's head, to the 7. He picked it up, looked around and was gone down the sideline, eluding at least five Bear tacklers and out-running another.

The Bruin defense tightened for the remaining two quarters and the offense moved deep into Gator territory, fumbling at the 7 and 3 of LaGrange. With those fumbles went their only chances of scoring.

The well and walking-wounded alike received the Town Talk award for player of the week. Recalling the moments of action that led to their awards are John McLure, Joe Holcomb, Tucker McLure, Richard Golmon, Glenn D'Amico, and Ken Murchison. Missing is Jimmy Winn.

Bolton linemen put the pressure on, keeping an opposing halfback from gaining precious yardage.

Bolton 14
Byrd 19

The Bears fought back but not in time, bowing to Byrd 19-14 in a thriller of a game.

Byrd, having the ball on the Bolton 33, passed 39 yards and the Yellow Jackets led 7-0.

The Bears came right back, moving the ball to their own 44. From there, Golmon caught Downs' pass, blew past the Jackets, and tallied 6 for the Bears, adding the extra point.

Byrd roared back, scoring from their own 44 yard line on a 56 yard beauty of a run.

The Yellow Jackets then scored their last TD, moving 56 yards in 6 plays.

Byrd fumbled on the opening kickoff of the second half and Golmon recovered at the Byrd 32. Thirty-one yards and a penalty later, Murchison threw to Baker in the end zone. Adding the extra point, the score was 19-14.

Another Bear drive ended at the Byrd 6 when a four and one pass was deflected by a defender into and out of the hands of Baker.

With only 43 seconds remaining, the Bears got off only two plays, neither of which were successful.

Dr. V. F. Chicola exhibits the interest of all Bear fans as he enjoys the game with Coach Smith.

Bolton 0 Baton Rouge 19

An alert, aggressive Baton Rouge High team handed Bolton a shutout, 19-0.

Midway in the second quarter the Bears got the ball on the Baton Rouge 11-yard line. Attempting to pass, the Bears suddenly found themselves dealing with an interception on the Baton Rouge 10, finally stopping the play on the 24-yard line. For the remainder of the first half the Bulldogs seemed content to keep the score 0-0, and played conservative football, riding out the clock.

A well executed play in the second half started with a fake handoff, ending in an end run for the 55 yards needed for the TD.

Later in the game, the Bears moved to the 37, giving the ball to Baton Rouge on a fumble. After gaining possession, the Bulldogs added another score.

With six minutes remaining in the game, Dennis Martin returned the kickoff to his own 40-yard line. The Bear offense seemed to be going until Baton Rouge intercepted a Bolton pass, returning it 80 yards for the final Bulldog score. The game ended seven plays and six time outs later with Baton Rouge on the Bolton 4-yard line.

Bolton 26 Sulphur 6

The Bears proved ready for the task in smashing a strong Sulphur team, 26-6.

Bolton looked impressive in the 70-yard drive for the first TD in 15 plays, ending the drive with D'Amico going over from the 1-foot line, and Golmon adding the PAT.

Sulphur bounced right back and went 72 yards in 12 plays for their initial marker. The point after was not good, and the score was Bolton 7, Sulphur 6.

With 21 seconds remaining in the second quarter, Bolton took over on the Tors' 38. Wasting no time, Ken Murchison found Buck Doiron in the clear at the Tors' 5, and fired a direct hit, allowing Doiron to cross over for the TD, putting Bolton ahead, 13-6, just as the first half ended.

The second half opened with Bolton's power still evident as they drove 84 yards in just 8 plays for another score.

Later, as the Tors were attempting to get going from their own 12, Blake was smeared for a loss and fumbled the ball at the 5. Tackle J. J. Michiels grabbed the ball and ran into the end zone for the final Bruin tally.

Pep rallies are a vital part of the athletic life at Bolton. Coach Mills gives his encouragement at one of the weekly rallies.

BRUINS SHOW MUCH DETERMINATION

Bolton 33
New Iberia 15

Tim Cogswell blocks as Richard Golmon defies an opposing tackler and circles for a gain on the play.

In the clutch, the mighty Bolton Bears powered their way to a 33-15 win over New Iberia.

The New Iberia Yellow Jackets sensed a chance for an upset and came out swinging. Their bid was ruined when the ball was fumbled and the Bears recovered.

The ice was broken when halfback Richard Golmon returned the Yellow Jackets' punt 70 yards for the first score.

Bolton once again got on the scoreboard after moving 46 yards in five plays for the second Bear TD.

One minute later New Iberia had a tally of its own, moving the ball 80 yards.

Later, Johnny Downs got things rolling by returning a punt from his 49 to the Yellow Jacket 46. Four plays later, Murchison shot a strike to Richard Golmon in the end zone for an 11-yard touchdown. After Mike LaCaze booted the PAT, the Bruins were out in front 21-7.

Bolton's lead was increased to 27-7 in the third period when Murchison hit end Buddy Baker with a 2-yard fourth down pass.

Late in the third quarter the Bears began their final TD drive, moving from the Bruin 24 to score in ten plays, with Albert Shirley going in for the score from 3 yards out.

New Iberia scored one other touchdown in the fourth period on a 25-yard pass play, adding two points when Downs stepped out of the end zone while punting.

To the cheers of the crowd, the mighty Bears roar onto the field to meet another opponent, display their ability, and uphold the tradition of Bolton football.

The varsity cheerleaders energetically lead the team onto the field for the last game of the season, their spirit and pep prevalent as it has been throughout the season.

Bolton 26 Lake Charles 6

The Bears gave their best effort, ending a winning season with a 27-6 victory over district foe Lake Charles.

The Bears scored the first two times they had the ball, Bolton going 46 yards in four plays for the TD.

Four plays after the kickoff, Gray Easterling recovered a fumble at the 'Cat 42. The Bears powered to the touchdown in 11 plays, Golmon going in from the one.

The two teams sparred until midway in the second period when the Bruin squad took over at their 11-yard line. From there, they drove 89 yards in 11 plays with Ken Murchison's passes sparking the drive. Golmon scored on a 10-yard toss caught at the 25, breezing on over from there. The Bears led 20-0 as they retired to the dressing room.

Bolton took the second half kickoff, and went 51 yards in seven plays, D'Amico going for the final 11. The PAT split the uprights and the score was 27-0.

Changing quarterbacks, Lake Charles scored one TD and almost another. After an 87-yard touchdown drive, the 'Cats moved downfield to a first and goal at the 5, but penalties and a pass interception by Gray Easterling spoiled their final bid.

Head Coach Ray Mills proudly accepts the award given to Bolton as the team of the week. His last year at Bolton he has given much to the school and will not be forgotten as a great coach.

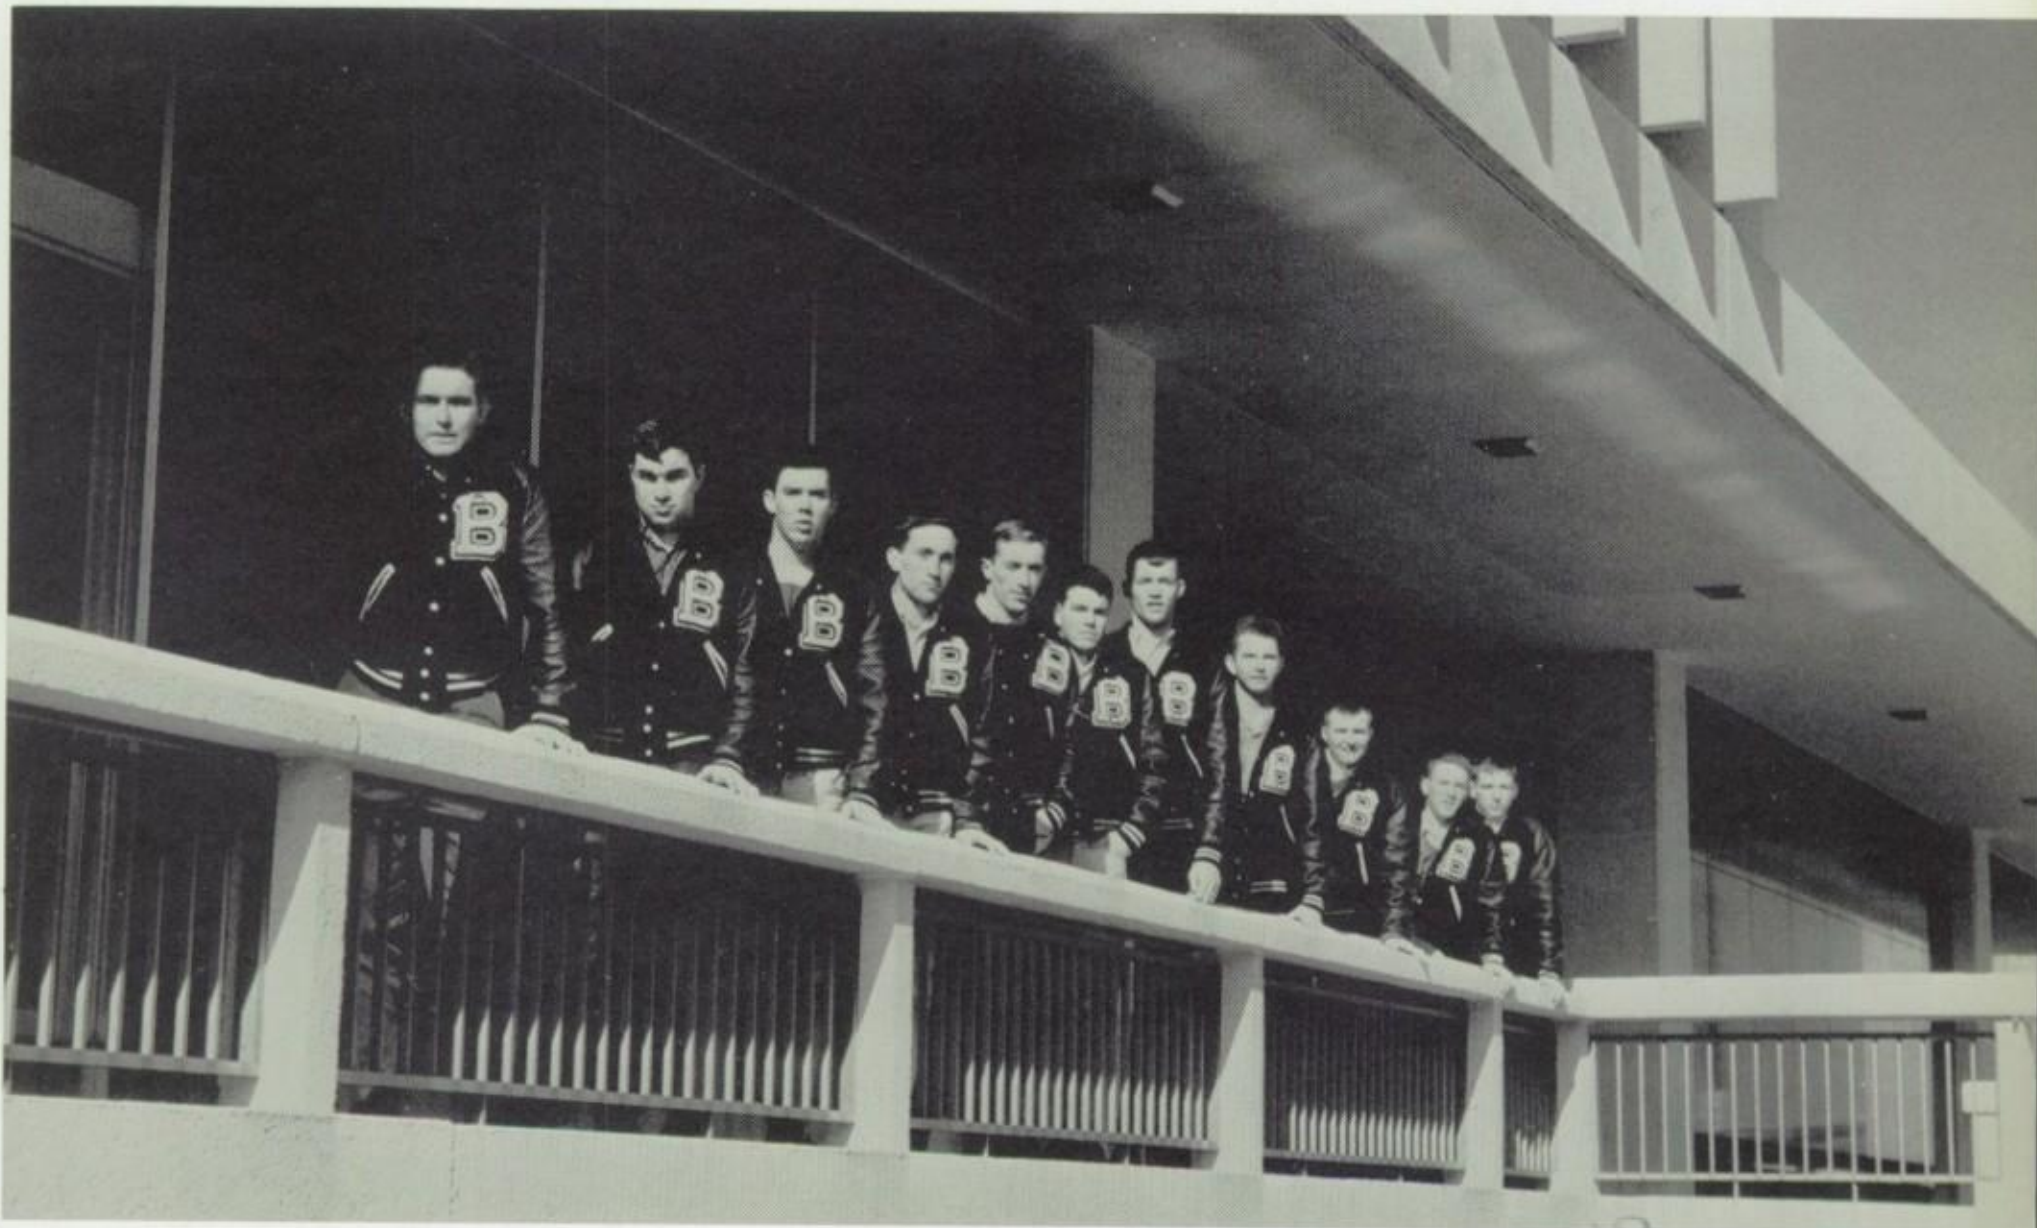

25 BOLTON SENIORS PLAY LAST GAME

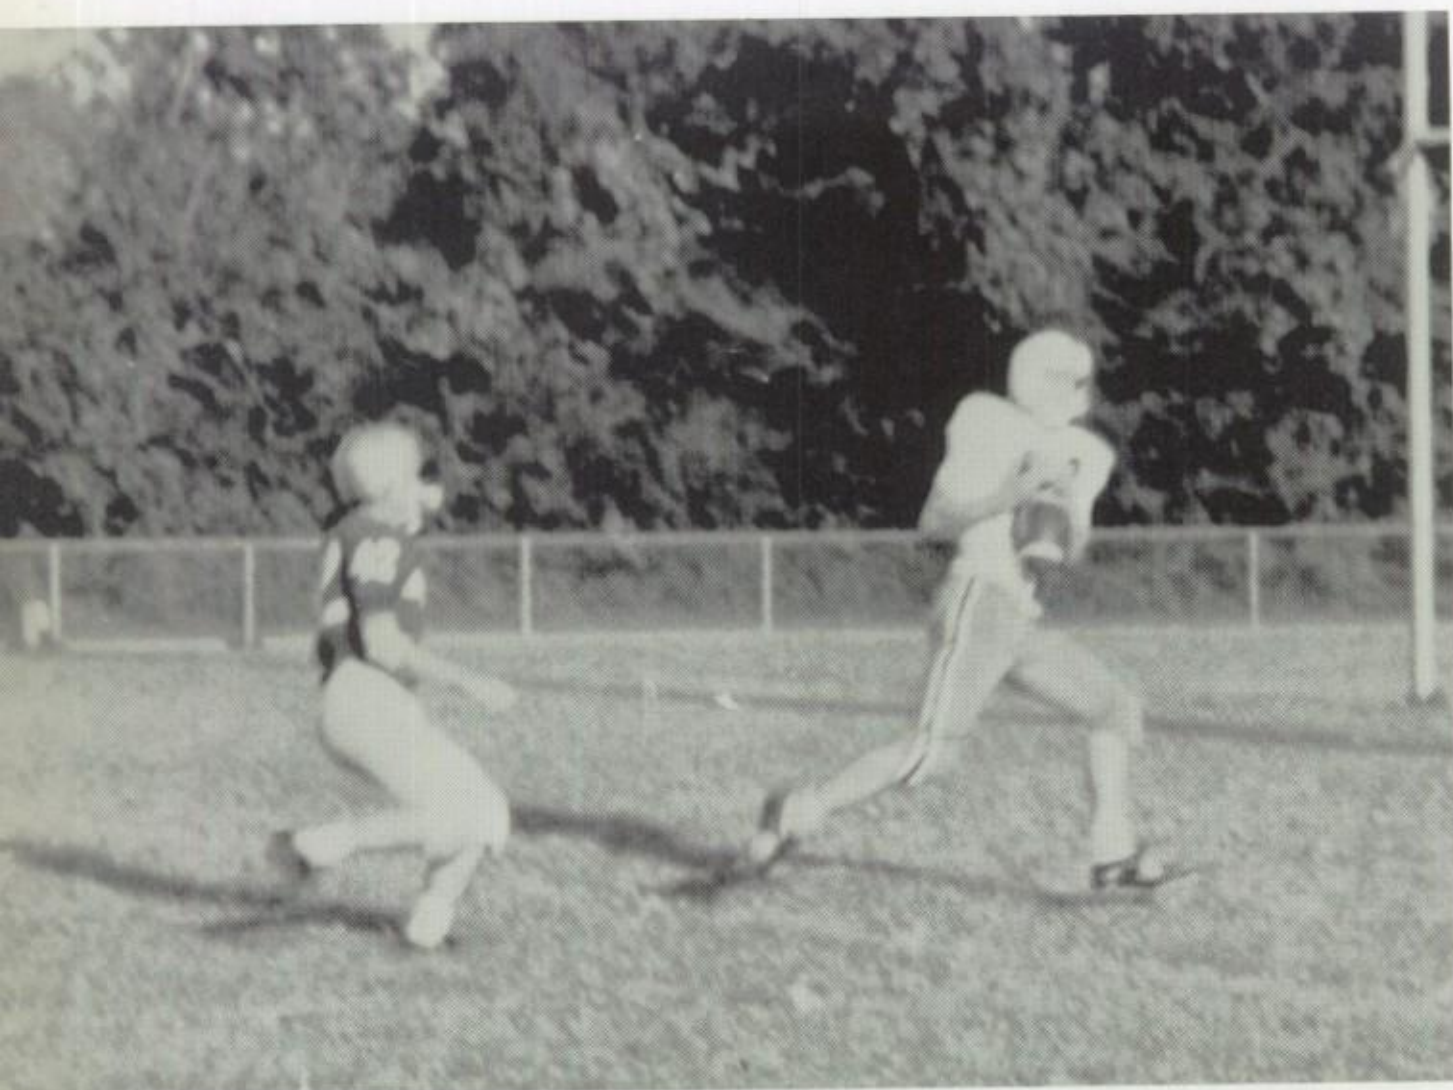

"Wildcats—we will bury you," is the sentiment of fans and Boosters as they enthusiastically support the Bears at the last game of the season.

Several Senior lettermen stop before the newly constructed city hall to proudly display their football jackets. Among these showing off the well deserved jackets are Ronnie Dion, John Williams, Randy Brodnax, John McLure, Tucker McLure, Buddy Lee, Champ Baker, Joe Merten, Paul Chambers, Jeff Nolan, and Glenn Dunn.

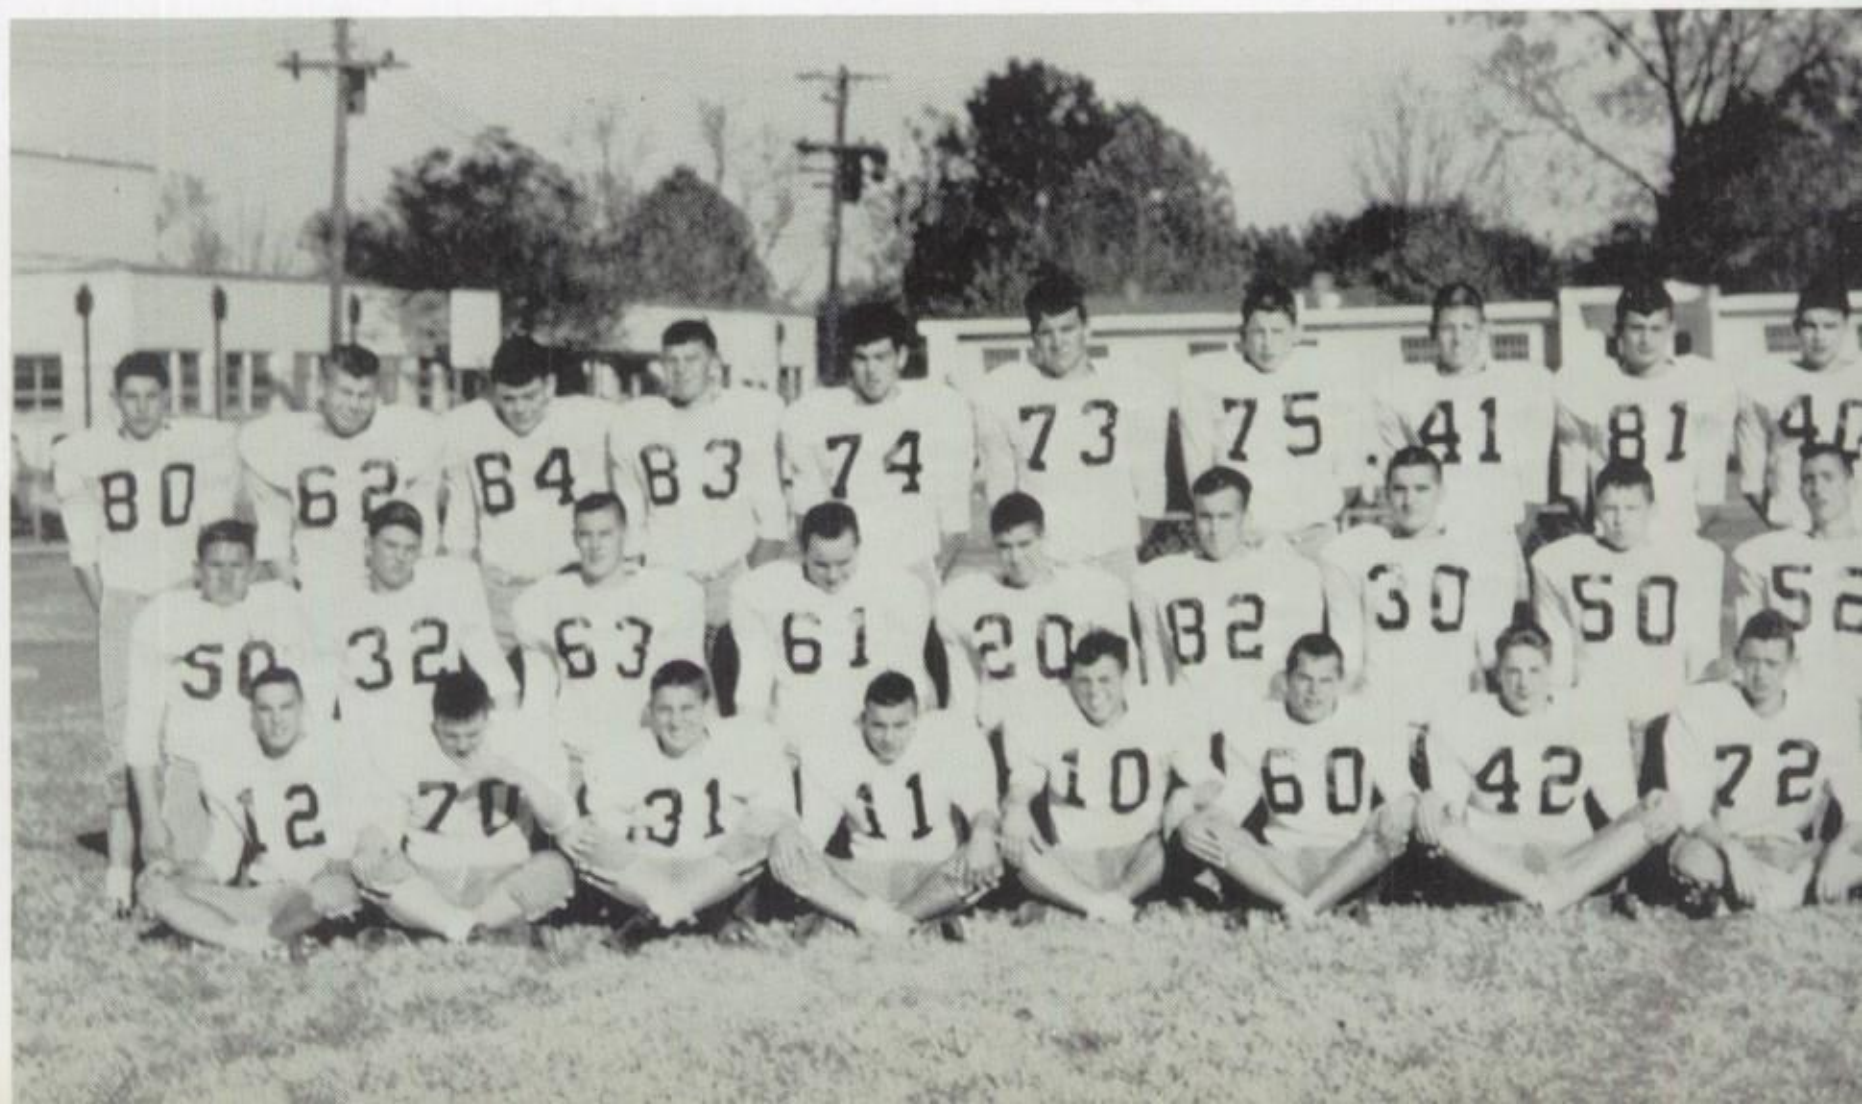

Straightening his well-known cap, Coach Mills happily strides down the sidelines after a Bear touchdown.

With ball in hand, a fleet Bear finds himself in the clear and goes in for a Bolton score.

Bolton's "B" team provided the spectators with a chance to see heads-up ball at its very best. Against the most rugged opponents the "B" team consistently played outstanding games.

When the varsity team scored an upset over the highly ranked Istrouma Indians, the "B" team followed suit by beating their junior team 19-6. The junior varsity also beat Lafayette, while losing to LaGrange and Byrd. They suffered three heartbreaking defeats, being scored on only four times in the three games.

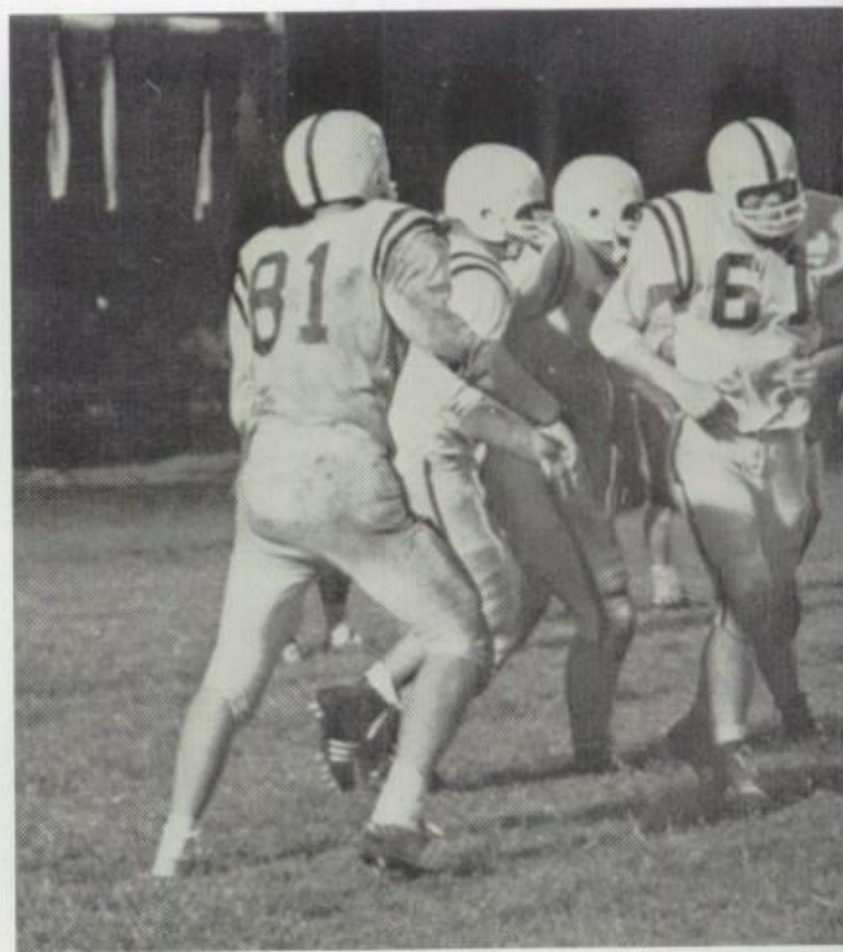

Coached by Coaches Charles Anastasio and Tommy Smith, the 1963 "B" team turned in an excellent performance. The young Cubs were led by speedy halfback Derald Smith and strengthening the line were tackles Jim Galloway and John Woods. Among their colleagues were Randy Dale, Daryl Halford, Mike Grantham, and Buddy Joseph.

THE '64 SQUAD HAS HEIGHT AND POWER

Varsity Basketball Squad—**Kneeling:** Bobby Tullis, Tim Cogswell, Bo Rosenthal, Ken Murchison, Harold Chambers; **Standing:** David Ray, Buddy Baker, Buck Doiron, Freddie Litton, Tucker McLure.

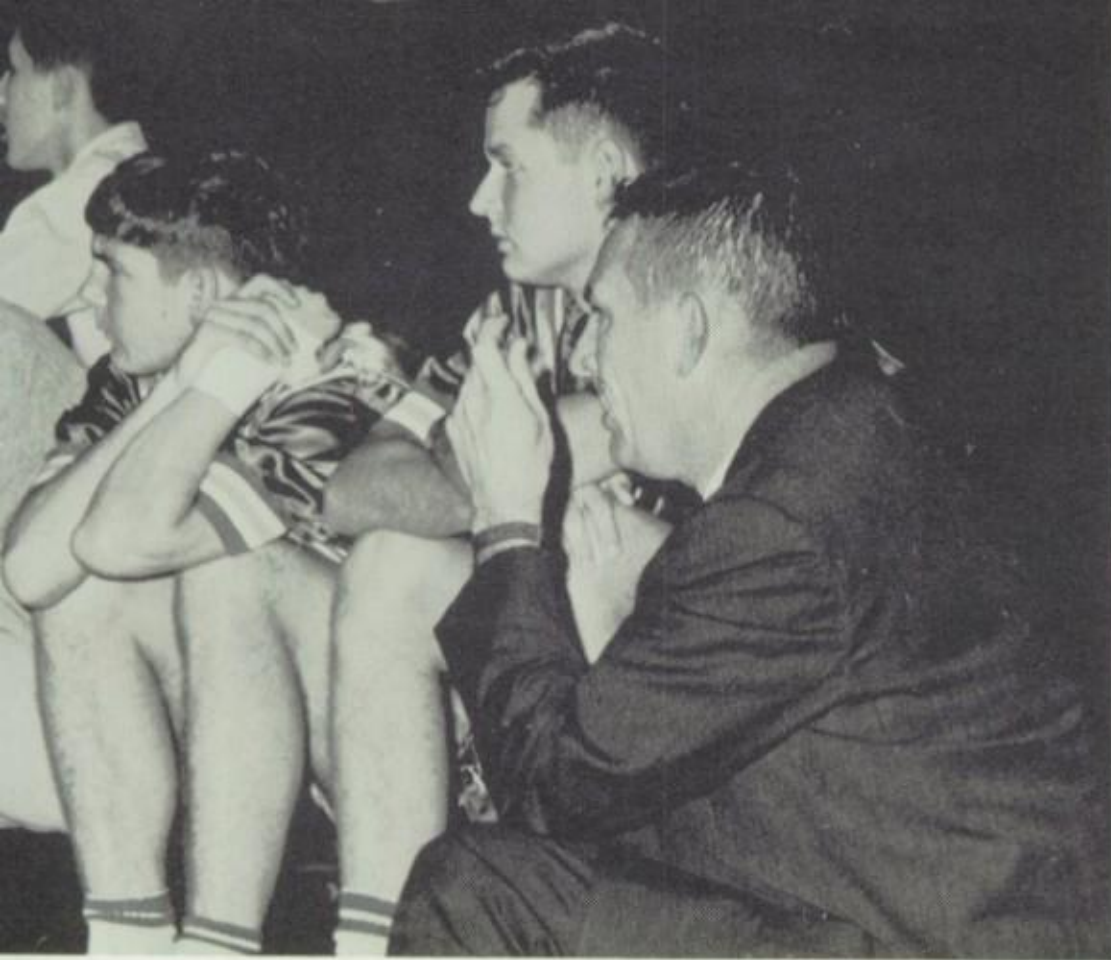

Good school spirit and a strong team under the leadership of Coach Elvin Tubre led to some exciting victories in an extremely tough district. Although the win-loss record may not reflect the ability of the Bruin cagers, anyone who witnessed them in action will long remember their fight and skill.

The outstanding defense, led by Tucker McLure and Freddie Litton, kept the rebounds in Bolton's hands and was a key factor in the successes of the season. Harold Chambers and Ken Murchison, two sharpshooting juniors, sparkplugged the Bruin offense. Fine teamwork and an unquenchable spirit marked every effort and made even the losses great games. The final record of fifteen wins and fifteen losses certainly showed only a small part of the story of the valiant '64 team.

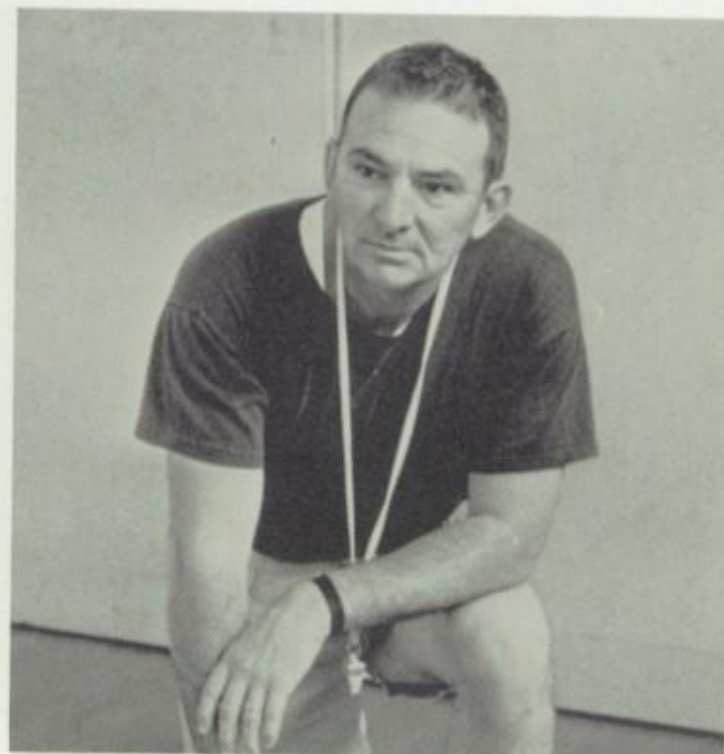

Student interest for basketball matched that shown for football, and if the sound of the cheers urging the team on to the end of a hard-fought game never actually lifted the roof of the Gym, it wasn't for a lack of trying by the enthusiastic students.

The Junior team's successes argue well for Bolton's future. A near-perfect season, marred by only one loss, was well deserved by the squad. They exhibited great ball control, accuracy, and teamwork that overwhelmed all but the most formidable opponents.

Sportsmanship marked the conduct of the team and the spectators. It certainly added to Bolton's already enviable reputation for fair play and good manners on the court and in the stands.

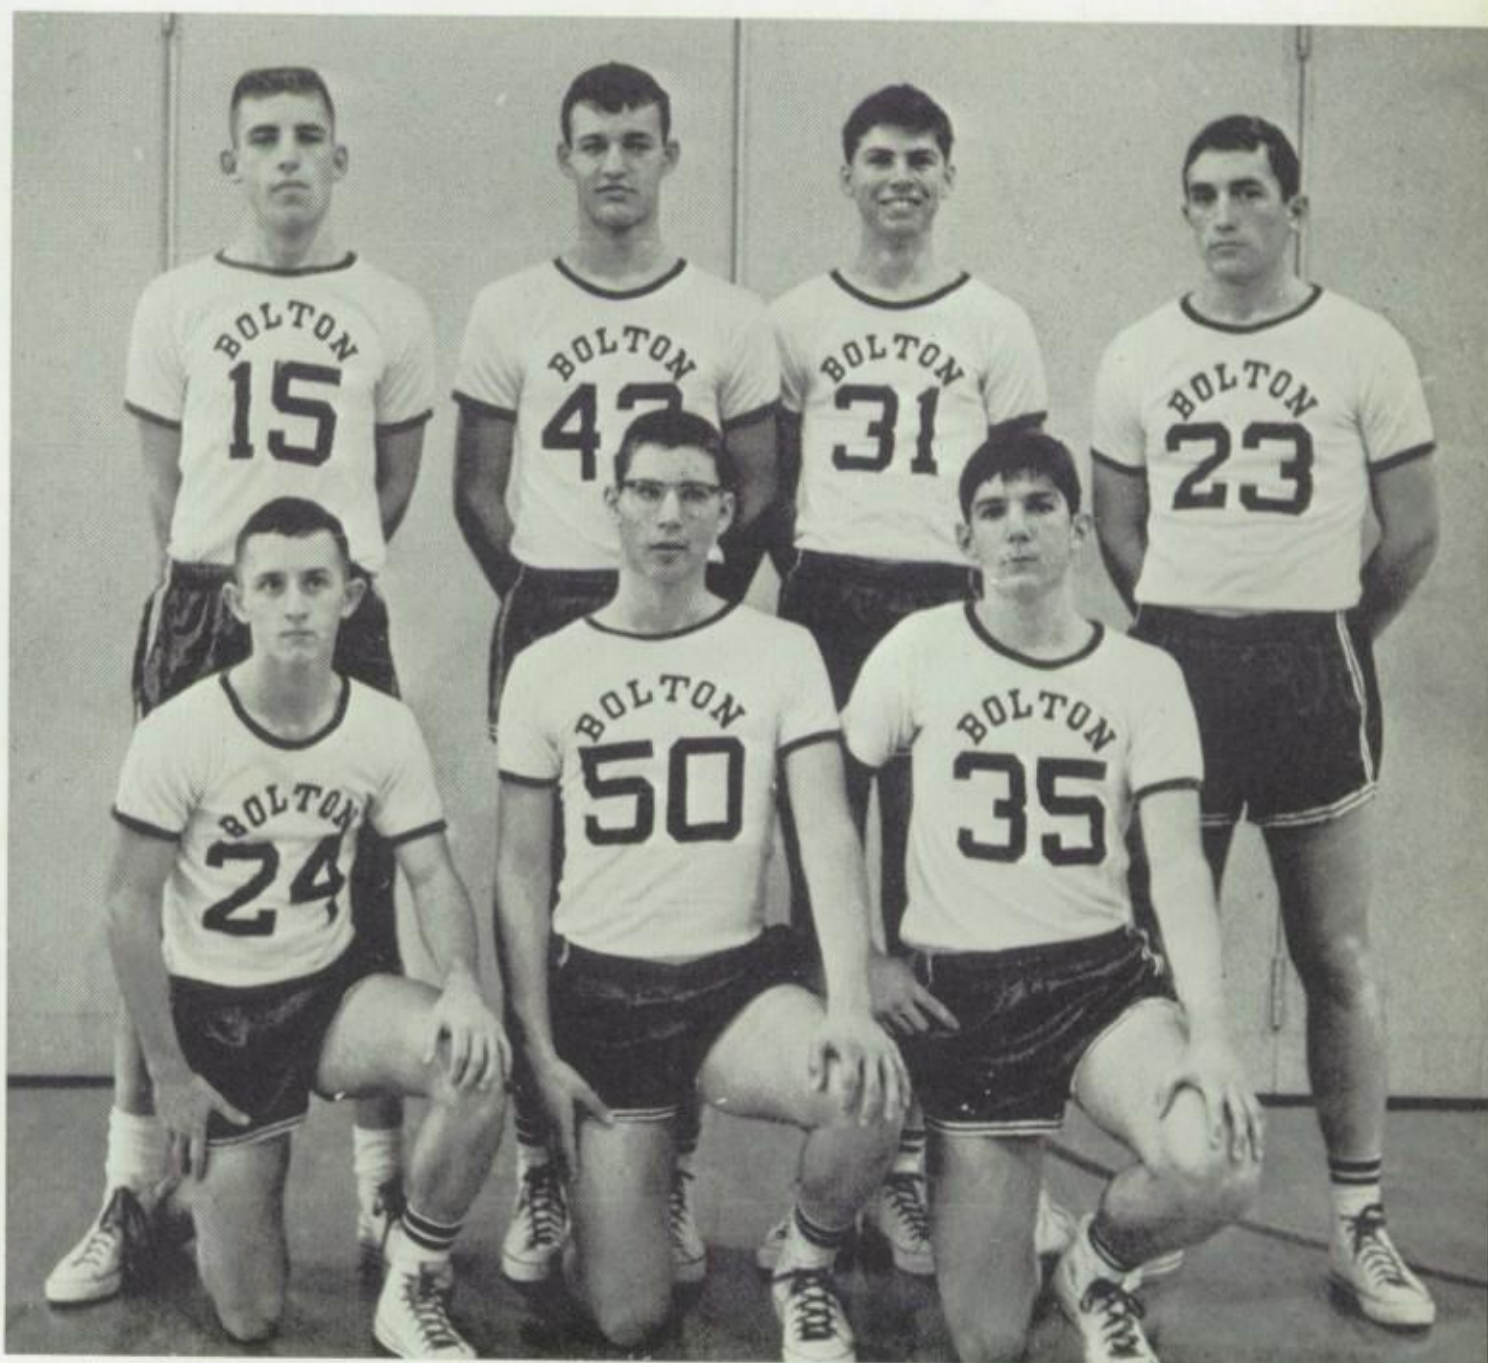

Coach Tubre watches intently as do two cagers during a close battle.

THE RACQUET SQUAD PREPARES FOR COMING SEASON

The Bear netters combined depth and fine play in going undefeated throughout the season. Though undefeated in team matches, the Bolton squad could not seem to get going at the state meet in Baton Rouge, where individual skill is the deciding factor rather than over-all ability.

The big guns of the team were Lamar Magee and F. L. Clark. Their colleagues on court were junior, Danny Sullivan, and sophomore, Jock Scott.

The feminine members of the squad included Pat Kelsey, Nancy Craft, Nancy Crowell, and Neill

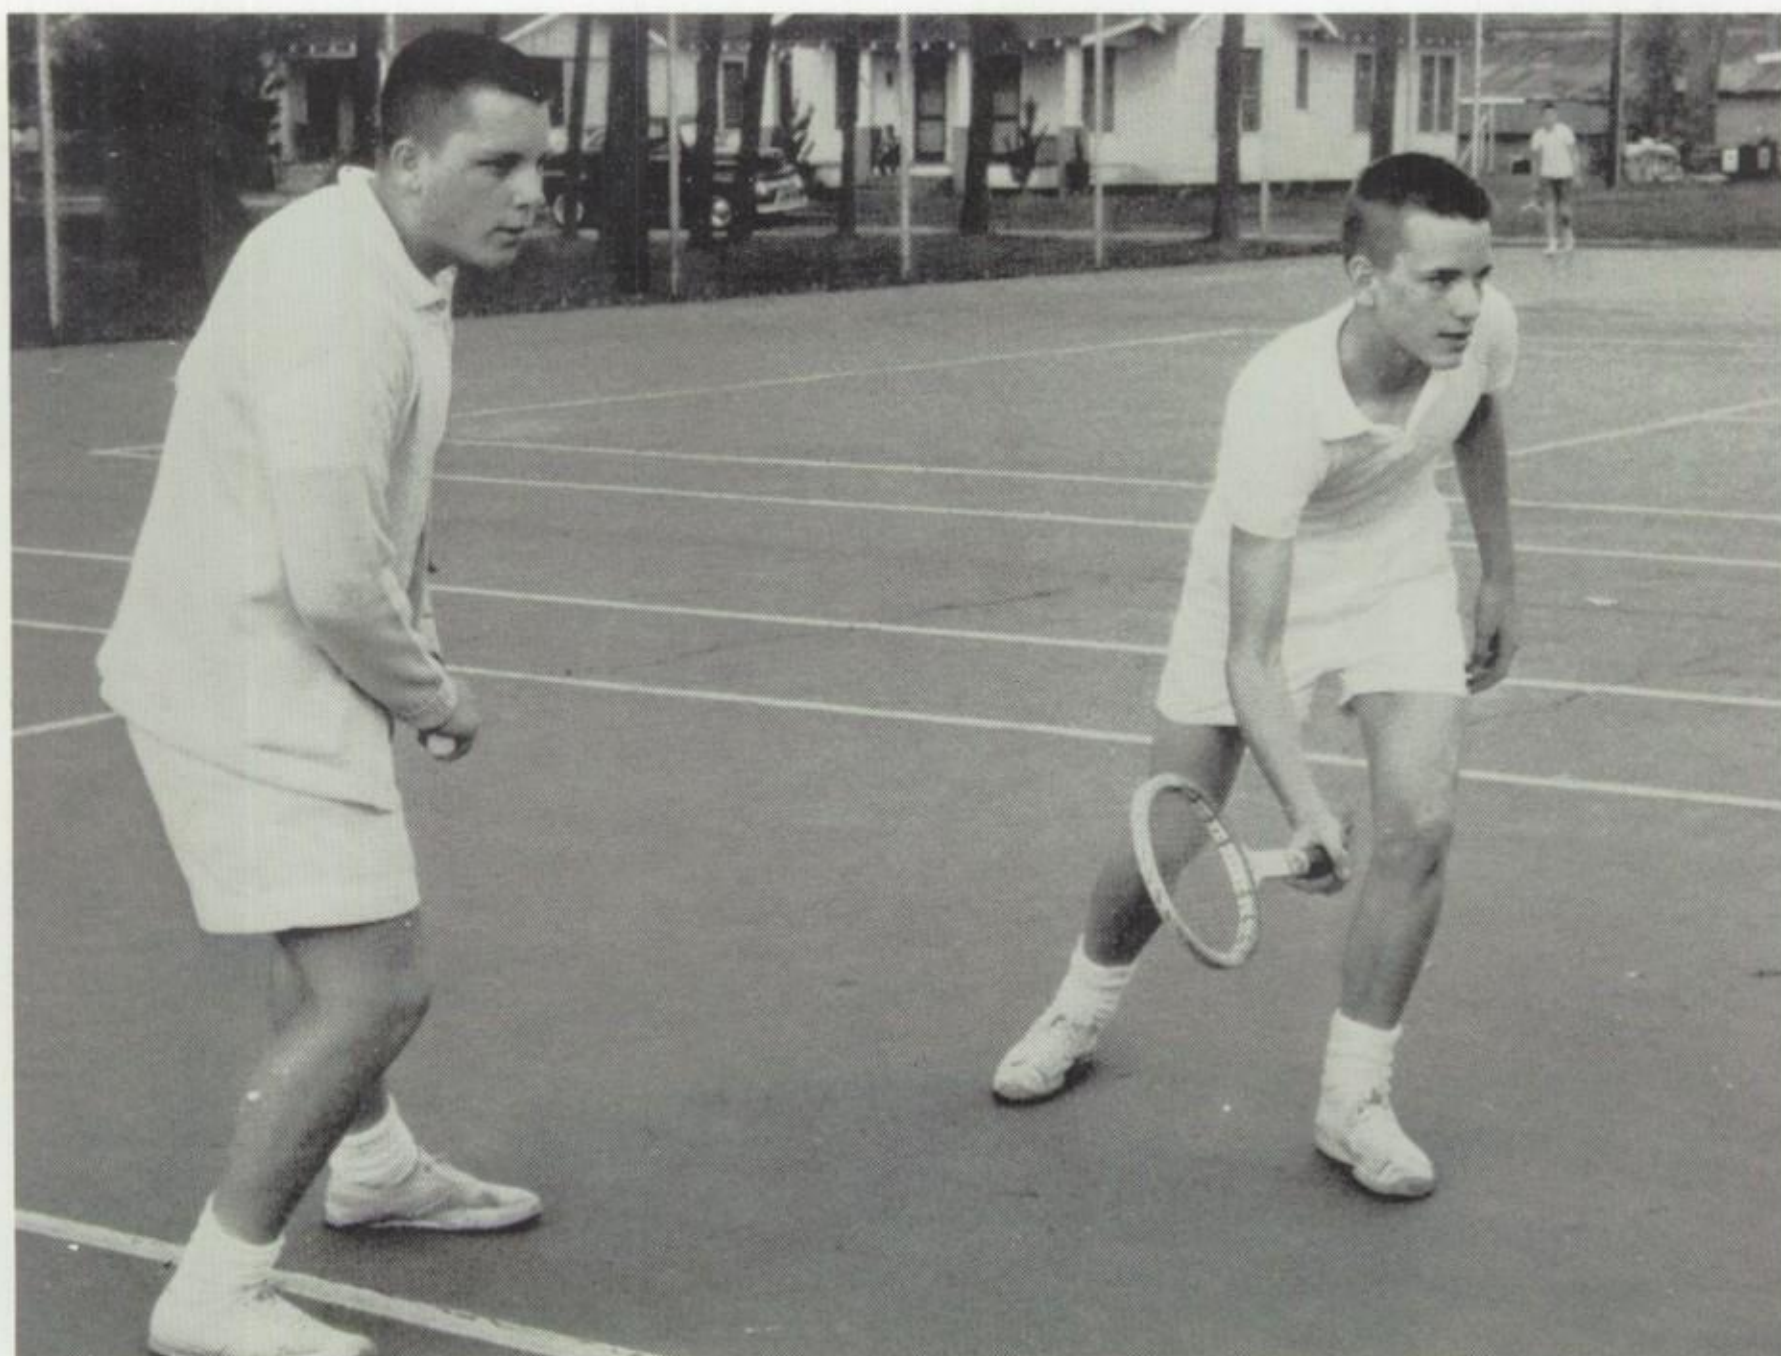

Foote. Pat, who is a top-ranking player in the state, played especially fine tennis though competing against older and more experienced opponents.

Woodlawn and Fair Park of Shreveport were typical of the schools the Bear squad met and defeated. The scores varied from 13-0 to a close 7-5.

Under the able reign of Coach Tommy Smith, the racquet squad exemplified the principles for which Bolton has for so long stood, sportsmanship and scholarship, by being the best in both.

Tired after a tournament, the Bruin netsters rest; their racquets are placed in the net while they sit, talking of victories and acknowledging their defeats.

BOLTON'S LINKSMEN CONSISTENTLY FOUND GREEN

Andy Gambordella shows good form on his approach shot.

The cool eye and steady hand of Rusty Casey holds the key to successful putting.

Golf Team—left to right: Andy Gambordella, Ronnie Wilkins, Chris Baird, Rusty Casey, and Jimmy Slocum.

The Bolton Golfers met Byrd, Neville, Bastrop, Lafayette, and crossed into Texas and Arkansas to meet Beaumont and El Dorado.

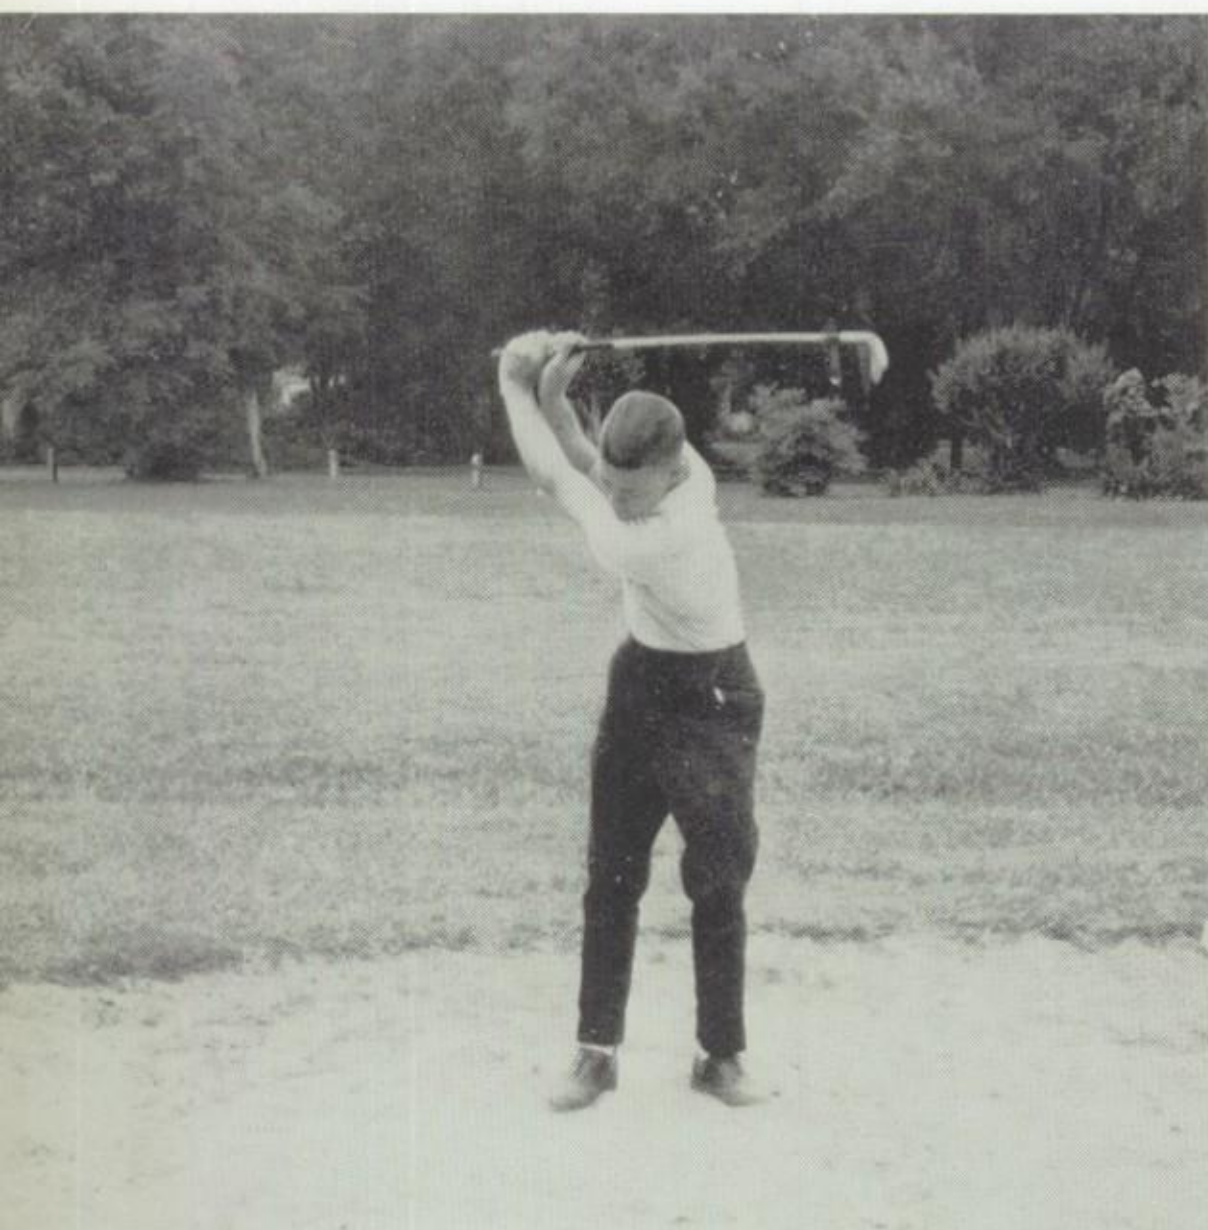

Led by the consistent play of Ronnie Wilkins, who was Medalist in Bastrop, and tied for Medalist against El Dorado, the Bruins came in third in state competition and were nosed out of District leadership in a close match with Lafayette.

A high point in the year was the victory in the Bolton Invitational at the Alexandria Golf and Country Club in April, 1963. In this meet, Bolton avenged prior losses to Byrd of Shreveport, and Neville of Monroe. Individual honors in this tourney

were won by Ben Freeman of Lafayette, but only after being pressed into a "sudden-death" playoff by Bolton's Ronnie Wilkins.

In addition to Wilkins, the team was bolstered by the fine shooting of Jimmie Slocum, Chris Baird, Rusty Casey, Andy Gambordella, Robbie Lowther, and Frank Brame.

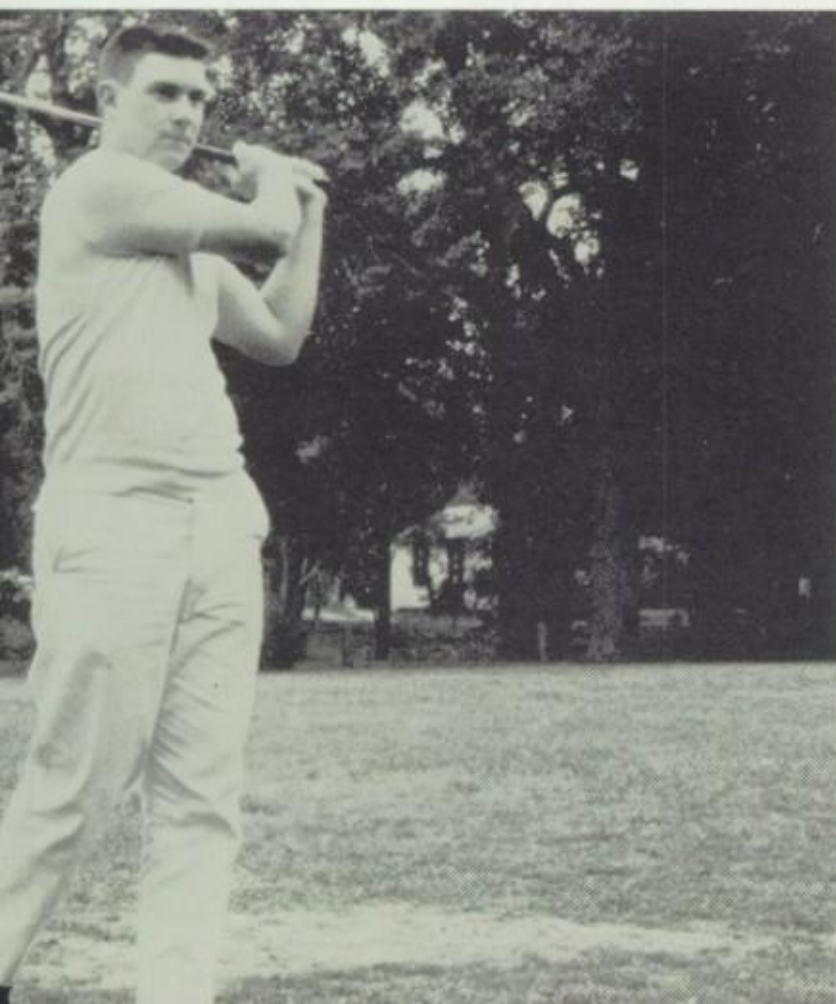

The diligence of these athletes fulfills Bolton's desire for a complete sports program. Their individual efforts combined with their competitive spirit allowed these men to represent Bolton in the traditional manner.

Below: **Chris Baird** chips to the green. Below right: **Ronnie Wilkins** watches his drive sail straight and true down the fairway.

BOLTON FIELDS STRONG TEAM

The track season was begun with eleven returning lettermen, the team having lost many of the stars by graduation. On April 16, the First Annual Twin Cities Track and Field Meet was held at Rebel Stadium in Pineville. Pineville edged Bolton by $1\frac{1}{2}$ points, 92 to $90\frac{1}{2}$. Bolton did exceptionally well, placing in every event except the high jump and shot put.

The next meet was the Triple-A Division of the 25th annual Northwestern Relays held on April 22, in which the Bears captured five first places—more than any other entry. Top men were Eddie McNeil, Richard Golmon, Gray Easterling, and Bo Rosen-

thal. The Bears traveled to Sulfur soon after for a District 2-AAA track and field meet, where Bo Rosenthal bettered the district record of 15 seconds flat with a 14.8 in high hurdles.

The last meet of the season was the State High School Triple-A Track and Field Meet at Ruston, where the team ranked fourth, competing against twenty other schools. Bolton's 880-yard relay team went to the meet of Champions in New Orleans, and ran third in that event. The team was made up of Eddie McNeil, Richard Golmon, John McIntosh, and Gray Easterling.

Bo Rosenthal gracefully skims the low hurdles as he speeds to another victory.

Track Team—**Top Row:** Carl Hefley, Johnny Normand, Tucker McLure, Glenn Ermatinger, Coach Desmond Jones, Eddie McNeil, John McIntosh, Winston Walding, Mike Pearce; **Bottom Row:** Tom Shorie, John McLure, Bill Petty, Richard Golmon, James Carelock, Bo Rosenthal, Gray Easterling, Jerry Martin.

After a smooth exchange with James Carelock, John McIntosh speeds on his way in the relay.

Max Johnson goes up and over as he clears the bar, 11 feet above the sawdust.

With a mighty leap, Bo Rosenthal hurls himself forward in the broad-jump.

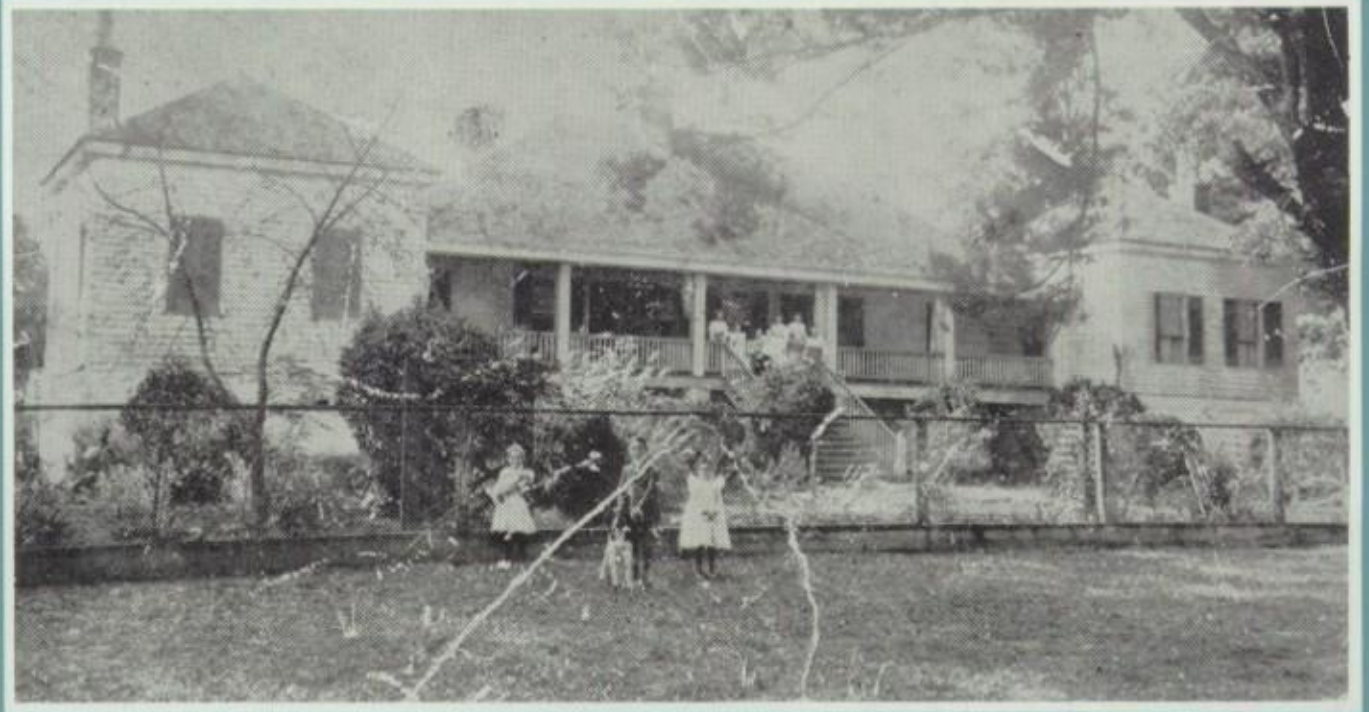

With a mighty heave, **Johnny Normand** puts the discus in flight.

SPEED AND STRENGTH HOLD KEY TO VICTORY

Richard Golmon edges his teammate, **Eddie McNeil**, in the 100 yard dash.

Patti Perkins and Jack Sleet "bag" their shoes for Linda Rometry, the shoe-check girl, before the sock hop begins.

Jennie Gallent, a member of the "broom squad," is in charge of "clean up."

BOLTONITES BEGIN YEAR WITH A SOCK HOP

Jimmy Morin, Molly Perdue, and Gayle Holt pause a moment for refreshments. Dillon Murchison takes over the duties at the ever-popular refreshment stand.

Senior tradition at Bolton Sock Hops is demonstrated by some of the seniors. This year couples wore pin-stripe shirts. The "senior circle" has long been a B.H.S. tradition.

Pat Isles, Mary Willis, and Kerry Everitt discuss the most effective placement of decorations for the annual Booster Sock Hop.

Band, Boosters, cheerleaders, students, all gather on the Court House steps after the Homecoming parade for a pep rally.

Preparation begins early in the morning for the homecoming parade will be a part of the day's activities, but now **Beth Fowler** and **Bootsie Norman** lift school spirit as they prepare to "Skin the Cats."

Mr. Clark gives the signal to "strike up the band" as the peppy Bruin cheerleaders complete a rousing yell.

Operation Wildcat is enthusiastically started by the Jr. Red Cross.

GYM BECOMES WONDERLAND AT HOMECOMING DANCE

Jan Penny and Mike Adams, members of the decorating committee, put the finishing touches on decorations for the dance.

Peggy Lindsley and Bonnie Daniel adorn the door with streamers to prepare for the big dance following the homecoming game.

A golden moon transformed the gym into a Winter Wonderland for the homecoming dance. Students danced beneath a canopy of star sprinkled crepe paper to the music of the Surfs.

LEADERSHIP BANQUET ATTENDED BY BHS LEADERS

Buddy Baker, Key Club president, addresses the students assembled at the Key Club Leadership Banquet.

Leaders of Bolton listen attentively to the amusing yet serious speech of the Banquet's guest speaker.

The guest speaker at the Leadership Banquet, **Mr. Newt Heilchur**, a citizen of Shreveport, spoke to Boltonites on the qualities of a leader.

President of Bolton's Student Council, **John McLure**, spoke to the assembly of students and teachers.

Bruin staffs of 1963 and 1964 honored **Miss Louise Morgan** at a farewell banquet. Sponsor of Bruin for 19 years and author of Bolton's Alma Mater, **Miss Morgan** contributed much to Bolton and will be fondly remembered by many Bolton graduates.

Miss Mary Thornton, founder of Bolton's chapter of Quill and Scroll, awakens the members to a fuller appreciation of the senses which enable them to receive more enjoyment from their surroundings. Jean Harbin clearly displays her admiration for Miss Thornton's fresh approach to the things we take so much for granted.

Max Johnson, Quill and Scroll president, welcomes the initiates and speaks briefly to them about the responsibility and honor which accompanies membership in Quill and Scroll, one of Bolton's three honorary societies. Old and new members alike ponder the aspects of Quill and Scroll.

Following the solemn and inspiring candlelight ceremony, old members and initiates take advantage of the opportunity to relax and enjoy themselves with refreshments and light conversation.

QUILL AND SCROLL INDUCTS NEW MEMBERS

Miss Thornton, for whom Bolton's chapter is named, recalls an incident of the past as she talks to Kerry Everitt, one of the new initiates to Quill and Scroll.

Graduates of Bolton will long remember that refrain of their last year in high school, "Seniors dismissed."

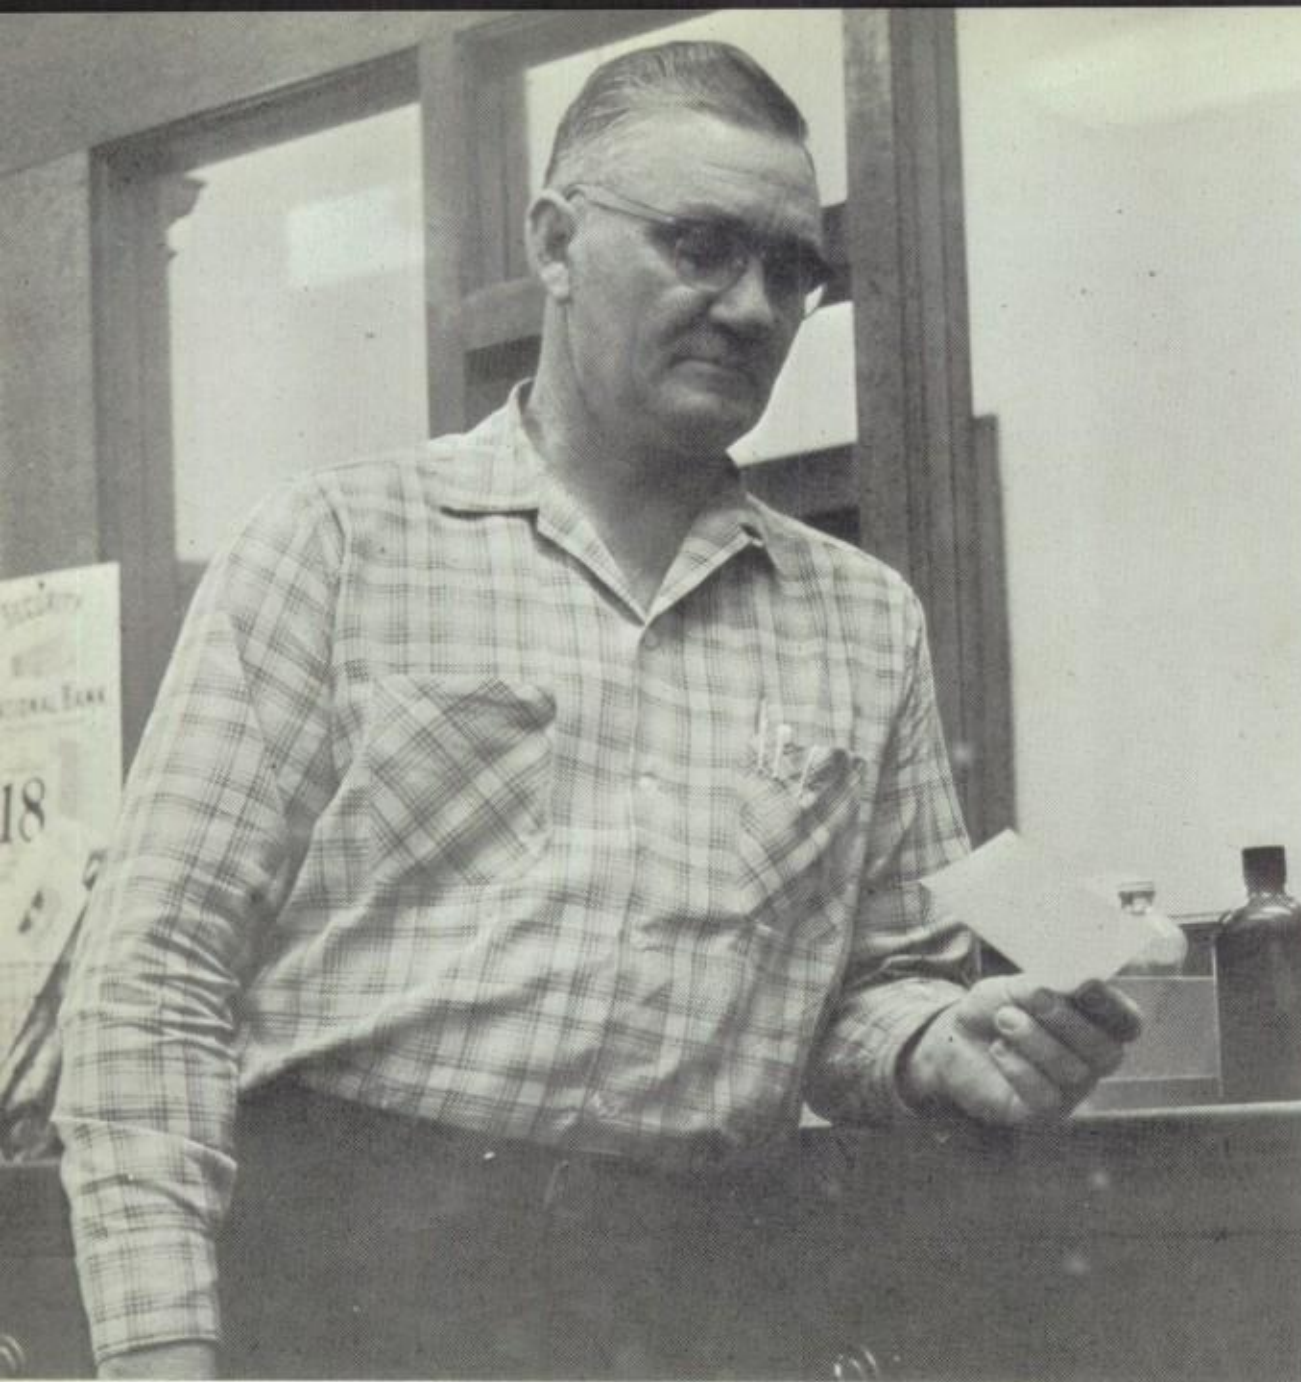

Each year the Student Council purchases a Christmas tree for Bolton. **Jeanne Kohara, Tommy Marshall, Jan Penny, Jeff Nolan, and Vernon Neal** help Mrs. Downs decorate the tree and place the first cans under the tree.

Bruin staff photographer **Susan Kohara** says, "If at first you don't succeed, try, try again."

Mr. Garlington, custodian of Bolton, reads carefully a note left clipped to his basket in **Mrs. Spofford's** office. When any help is needed, **Mr. Garlington** can be reached there.

Eli Harvey, our first-floor custodian, ranks highest in seniority on Bolton's maintenance staff.

Mrs. Mounce checks in in the faculty room before school. If there is any news for her, it will be left in her box.

BOLTON IS SERVED IN MANY WAYS

Mr. Pate, Bolton's English faculty, and Dr. James R. Squire, director of the National Study of High School English Programs, discuss the study of Bolton's English department over a lunch in the home economics department.

Bolton's maintenance staff takes time out to relax after a hard day's work. From left to right, sitting are **Walter Price**, **Verna Gray**, **Sam Loyd**, **Robert Price**, and on the back row are **Dan Davis**, **Eli Harvey**, and **O. C. Price**.

When we look back on this school year of 1963-64, there will be many things that will make it stand out in our memories. Like every other year it had its fads. It was the year of white jeans and wide leather belts with big brass buckles. Madras plaid and pinstriped shirts and colored socks were "in" with the boys. The girls went for culottes, wrap-around skirts, shapeless shifts, and loafers. The ordinary sick jokes were replaced by the even sicker elephant and grape jokes. To top it all off, the country was invaded by the Beatles who brought with them Beatle haircuts and Beatle coats and left behind screaming, fainting girls.

There was a serious side to events, however. While Bolton students sat in fifth hour classes, the word came that the President of the United States had been assassinated. These students and all Americans will remember 1963-64 as the year of the murdered president. This same year saw the nation excited by the miracle of birth when the Fisher family had five new additions at one time. The death of one, the birth of five—1963-64 was marked by such contrasts.

Alexandria moved forward during this period with the completion of the new city hall and convention center and the opening of the new multi-lane bridge spanning the Red River. Plans were completed for a city coliseum and a city library. These improvements have awakened new interest in Alexandria as a convention city and will do much to stimulate further progress. Growth in Alexandria has been paralleled by growth at Bolton. Although there were only three classes since Bolton's elevation to full senior high school status, the enrollment set a new record. The faculty matched this growth and was the largest in the history of the school. The senior class, the first ever to leave Bolton after only three years as well as the largest ever to graduate, had ten National Merit Finalists among its members. Throughout the school year of 1963-64, we could see our town continue to grow as we grew with it.
